Office of the Minister for Agriculture
Minute,

Bangalore, Dated ....December 24, 1956.

IMMEDIATE

1) When I visited Dandeli recently it was brought to my notice that the Government have sanctioned 200 acres of forest land to the establishment of Dandeli village. I also came to know that the whole land of 200 acres will not be utilised by the villagers. Therefore it is unnecessary to release 200 acres of forest land for the present only 100 acres may be released for the construction of the village. Necessary instructions may be issued in this regard.

53. The Deputy Commissioner, Karwar, clarified that in view of Law Department's objection, it will not be possible even to issue a Declaration to constitute the Notified Area Committee before the order for de-afforestation is issued. The de-afforestation may be taken at the first stage. Therefore the draft proposals sent by the Deputy Commissioner should be sent to the Agr. & Forest Department for their consideration and notification. The Proclamation under Section 8 should issue immediately after the de-afforestation notification issues from the Agr. & Forest Deptt.

54 (2) However, the various steps to be taken for the development of the land need not necessarily wait till the Notified Area Committee is constituted over 200 acres of forest land already been secured. But the Deputy Commissioner clarified that the area is full of shrubs, jungle, etc., and until this is made fit for development by demarcation and by giving mark-outs for the roads, houses, sites, etc., development cannot take place. If therefore an advance is made to the Deputy Commissioner to be designated as Special Officer for the purpose of development to go ahead with the development work and take up the work of demarcation, construction of Roads, etc., in October, 1958 soon after the heaviest part of the monsoon is over, the clearance work could be commenced and if the Surveyors are deputed, the sites could also be marked out and the Housing Board asked to take up the construction under the Subsidised Industrial Housing Scheme. So

be perused at Paras 53-56 of Draft notification supplied by the DC Kanara is at Slip 'A'. The area indicated therein is 1311 acres 38 Guntas which is proposed to be dis-forested. Govt. had ordered release only 200 acres of forest land for the establishment of Township. On Page 10 of the Report of the Dandeli Township Committee it is observed that "this area is considered inadequate & accordingly the Committee has increased the area to about 650 acres for immediate development and an aggregate area of about 650 acres should be made available in the final plan ...." It is not clear how the DC has arrived at the extent of 1311 acres 38 Guntas. We have addressed the CCF & the DC vide G.L. dated 12.8.1958 to send us the proposals. We may perhaps await their replies. In the meantime, it is considered necessary, the draft notification sent by the DC may be forwarded to the CCF for remarks. Forwarding 'A' may be done. Proposals for dis-forestation at different stages will have to be examined.

So far as these proposals are concerned they will include all the area of the Factories as well as the Depot area, Saw Mills area of the Forest Deptt, the river side area and Dandeli village. This is essential so that the township can derive income from the Factories and also regulate the various unauthorised constructions that have taken place round about Dandelli village.

55 (3) As regards clearance of forest is concerned, this will naturally have to be done by the Forest Department. Therefore only the 200 and odd acres that have already been cleared will be the area that will be immediately available for layouts, construction of houses, etc. Since the Forest Dept. has control over all the roads which lead from the Township there should be no difficulty for them to ensure that there is no pilferage within the areas that have been de-afforestxxed even though the Forest Act will not apply to such area

Agriculture & Forest Department
(Forest Section)
....

The Secretary directed today that action as indicated below should be taken.

DANDELI TOWNSHIP (AFD 60 DST 57)

79. 1. It should be verified whether there is any proposal for the disafforestation of the entire area covered by the proposed Dandeli Town Ship and it should be examined whether the Dandeli Town Ship Committee cannot function unless the area is disafforested.

80. 2. Action on the proposals for disafforestation of the area required by the Town Ship Committee should be expedited if the proposals are already before Government.

81 The DC Kanara had forwarded a draft notification for disforesting an area of 1311 acres & 38 guntas which was inclusive of 200 acres already cleared. As the area recommended by the Township Committee & the proposals of the DC did not tally, DC Kanara was asked to submit draft notification in respect of 200 acres already cleared in the first instance & the CCF was required to discuss the proposal for further clearing with the Divisional Commissioner, Belgaum, DC Kanara & the CCF Belgaum & to send up to Govt. agreed recommendations vide GC on Pg 7. He was reminded on 14.10.1958. Draft DO letter submitted to the CCF for approval.

of 200 acres already released the balance required to be released works out to 1111 acres and 38 guntas. As recommended by the Committee we may immediately consider further release of 250 acres to make up the 450 acres required for immediate development of the Township. The C.C.F. also is of the opinion that the release of forest land be made by stages as and when required.

88. Deputy Commissioner, North Kanara in his letter dated 19-10-58 to the Secretary to Government, L.S.G. and P.H.D. has suggested examination of the point whether the lands leased to the industries at Dandeli could be notified as having formed part of the Township area even without disforestment. The only consideration that prompted this suggestion appear to be to levy octroi in respect of the goods brought into the Township area. If the suggestion of the D.C., North Kanara is acceded to, the Forest Department may lose a considerable revenue that would accrue from the rental of the lease hold forest area and similar other sources of revenue. For orders.

89. vide letter of CCF dated 21.10.58. In view of the circumstances explained by CCF & the recommendation of the committee forest 250 acres may be released for the immediate development of Township. As regards the remaining area 680 acres it may be released when required.

96. vide letter of D.C. North Kanara para (2) point A. No of CCF will be obtained

Agriculture & Forest Department
(Forest Section)

....

DANDELI TOWN SHIP

86 Forest lands leased to the several industries at Dandeli are as follows:-

1. Indian Plywood Manufacturing Co.,	-	61.5 acres
2. Electro Metallurgical Works	-	96 acres
3. The West Coast Paper Mills.	-	200 acres

The Dandeli Township Committee after examining the present and the future requirements of these Industries have recommended release of the following additional areas:-

Pg ofm Report. (slip A)

1. Indian Plywood Manufacturing Co.,	-	20 acres.
2. Electro Metallurgical Works	-	100 acres
3. The West Coast Paper Mills	-	40 acres

Since these are only approximate figures, the Committee has observed that the actual requirements of the industries have to be assessed more accurately and to achieve that end the industries should furnish detailed layout plans showing the factory, labour colony etc., and obtain sanction from competent authority.

87 With a view to develop this industrial area it was felt necessary that compact housing areas may develop quickly providing for the primary need of a suitable shelter to the daily increasing labour and other population. To achieve this objective the Bombay Government had selected an area of 200 acres lying between the Forest Depot area and the West Coast Paper Mills as the "Town Planning Area" for the location of a new Township with the main object of providing building sites together with essential amenities. The Forest Department have accordingly disforested 200 acres for the purpose. After a careful consideration of the revised requirements, it was felt by the Committee that this area of 200 acres would be inadequate and accordingly the area for the Township is increased to about 450 acres for immediate development and that about 680 acres for final stage. This is inclusive of the 200 acres which have already been released by the Forest Department. As against the aggregate area of 1130 acres (450 plus 680) the Deputy Commissioner, North Kanara submitted proposals for the disforestment of 1311 acres and 38 guntas. Deducting the area

ISG and PH Deptt.

115) It is not possible to notify the area under Section 187 of the Bombay Dist. Municipal Act because, so long as any area continues to be reserve forest, the restrictions laid down by Section 26 of the Indian Forest Act as in force in Bombay area will continue to operate. It is only when any ~~area is free from these restrictions by issuing~~ a Notification under Section 27 of that Act, that the question of forming that area into an Notified

WD 04559—GPB—PZS—2,00,000—1958

Serial No.

105 There are three points for consideration in the case.

106. (1) The Dandeli Township Committee requests originally 1130 acres for the Town. 200 acres have already been surrendered. It is stated that they want another 250 acres for the second stage of expansion. No specific proposals are received. C.C.F. thinks that it can be given generally as & when required, in order to facilitate exploitation of tree-growth. We may inform the Township authorities that if they give advance intimation of at least six months of the exact area required, arrangements to remove tree-growth & hand over the area will be made.

C.f. 101.

107 (2) The next point raised by C.C.F. is whether the Township Committee grow without the land being disafforested. When once the full tree-growth is exploited & there is no further chance of raising any Plantations, I see no point in keeping such an area as a Reserve Forest. 200 acres has been ordered to be disafforested. But with reference to Forest tech, it will be examined, if it can be done.

108 (3) In C.F. 95, the Deputy Commr raised the point whether the lands leased to Paper Mills & Tree-Ranging Companies can be retained as within the Township, without disafforestment of the land. This is a point to be examined by the Municipal Branch. They can be asked to examine it. As they are under long lease, it will be difficult to disafforest the areas.

Action as above will be taken.

declared as municipal or notified area by making suitable amendments both under the Forest Act and Rules and under the Municipal Law, relaxing at the same time the control of the area by the Forest Dept. The proposal was examined in consultation with the Law Dept who held that it was not possible to notify the area under Section 187 of the Bombay District Municipal Act because so long as the area continued to be reserve forest, the restrictions laid down by Section 26 of the Indian Forest Act would continue to operate and also that the process of forming the area into a notified area could be considered only when the area was freed from the restrictions imposed under Section 26 of the Indian Forest Act as a result of issuing a notification under Section 27 of the Forest Act. The Law Dept also held that amendments as suggested by the C.E.P would result in the dual control of the Forest Dept and the Notified Committee or the Municipality. The C.E.P was therefore requested to indicate p109/cf this dual control could be reconciled. The C.E.F now reports (p113/c) that it would be better to dispose the area required for Dandeli Township and hand it over to the notified area Committee.

135 In the circumstances the area in question may be disposed and handed over to the R.D. for being assigned to the Notified Area Committee subject to the conditions stipulated by the C.E.F.

Mysore Government Secretariat

D.No. 8590 - Letter No.B3-90-1713/56, dt.12-9-60 from CCF.

Serial No.

CCF had agreed to disforest the area required 158.
for Dandeli Township. He was asked to send draft
notification in respect of the proposed disforestment
of 1000 acres, vide PP 113 & 115/CF.

The Div.Commissioner Belgaum desires that an 159
area of 628 acres and 30 guntas will have to be dis-
forested under Sec.27 of I.F.A. and brought under
the jurisdictiom of the notified area of Dandeli
Township. The said area will include Forest Depart-
ment properties viz., buildings, Jai Hind Saw Mills,
Timber Depot and Research Garden.

Since the Forest Department will have to pay 160.
heavy octroi on the timber Depot and Municipal
Taxes on buildings, the CCF suggests that an area
of 450 acres which is required in the first stage
of the development of the township may be disforested,
excluding the Forest belongings. CCF has also
pointed out that in the scheme of the Dandeli Town-
ship no jurisdiction is proposed over the West Coast
Paper Mills and Ferro Manganese Factories which
are situated on Forest Lands.

In view of the fact, that Dandeli township 161.
is fast developing, we may agree to disforest the
whole of the proposed area i.e, 680 acres. But
the point for consideration is whether the Forest
belongings in that area are to be excluded from
the township, as suggested by the CCF.

D.No.1354 - Letter No.PLH 523(MLB)61, dt. 10-2-61 from LSG & PHD.

177. In his note, ~~xx~~ received as enclosure to the PDO, the Div.Commr.Belgaum emphasises the need for early dis forestment of 250 acres of Forest area for the Township Dandeli.

178. This point has been discussed, inter alia, in a meeting held in the chambers of the Law Minister on 14-2-61. The following three issues pertained to the Forest Department:-

1. Disforestment of Forest Area including Timber Depot and the areas covered by Industries.
2. Transfer of land to the town area for public purpose for development and disposal of plots.
3. Request of West Coast Paper Mills for additional Bamboo areas.

179. In regard to Sls.1 & 2 above the CCF expressed his willingness to disforest the areas and hand them over to the Township Committee, provided the Timber Depots and Saw Mills, Research Garden etc., belonging to the Forest Department are exempted from the Municipal ~~action~~ octroi. He was of the view that the ~~action~~ octroi may be levied on other private industries viz., West Coast Paper Mills, Indian Plywoods & Ferso Manganese. The map placed below (Flag A) will show the location of the Forest concerns and the private industries. It is understood, JSG has accepted the views offered by the CCF.

180. It was also demanded in the meeting that the aforesaid Forest belongings may be shifted, from the contemplated township area to some convenient place to the North of the area. The CCF said that it would not be feasible to do so. If the proposed shifting is undertaken, the Timber Depot and Saw Mills etc., will be away from the Dandeli Railway Station. It was also pointed out to the Committee that the Railway Station

the Govt. passing a special order which can only effect subsequent levy and not the imposition of the tax, which has already been made, is concluded by the above decision. Therefore, the opinion on the first point is that the State Govt. by a special order under section 59 may direct the Municipality not to levy octroi duty on timber belonging to the Forest Department from a future date to be specified in the order.

200
(13)

The second point raised is set at rest by the decision reported in A.I.R. 1956 Bombay 368 wherein it is laid down that section 59 of the Bombay District Municipal Act is not ultra vires the Constitution as offending against Article 14 of the Constitution. The reasoning given therein is as follows:- "Article 14 is framed in very wide terms. But in its application to any concrete problem which may arise before the courtsx a doctrinaire approach has to be avoided. Equal protection of laws does not mean that all laws must be general or universal in the character and application. The legislature in the process of legislation is entitled ~~kkx~~ to classify persons or things to be brought under the operation of law, and if the basis of classification is just and if the basis has reasonable relation to the object which the legislature has in view, it is not open to courts to sit in judgment over the wisdom of the legislature in making the classification. Even if the law makes a special provision with regard to a class it must be regarded as good provided the classification is founded upon a real and substantial distinction and is not made arbitrarily. Again entrustment by law or authority

1996 (11) Law Department.

Two points arise for opinion, namely (1) whether the issue of prohibition by Govt. against the Municipality to levy in future octroi tax on timber belonging to Forest Deptt. will be legitimate exercise of the power of the Govt. under section 59 of the Bombay District Municipal Act, 1901, and (2) whether section 59 of the said Act is ultra vires the Constitution ?

1999 (12) Under section 59 of the power of the Municipality to impose a tax is subject to the over-riding condition which is that any general or special order issued by the State Govt. may regulate, limit and control the power of the Municipality to impose a tax. The contention that the power to impose has been conferred for once and for all and does not confer every-time the Municipality proceeds to levy a tax is negatived in the rule laid down in A.I.R. 1954 Bombay 278. It is pointed out therein that the power to impose conferred by section 59 is capable of being displayed by any general or special order which the State Govt. may issue and has the power to impose is a continuing power, the power may be taken away or controlled or limited by any general or special order. Whenever the Municipality levies a tax it is exercising the power to impose and at the time of the levy it would be open to Govt. to control that power and to make the levy subject to any general or special order. Thus the contention that once a tax has been imposed with the sanction of the Govt. there can be no question of

authority to select for special treatment a person or object to an executive authority is by itself not a ground for holding that equal protection of laws is violated." Therefore the opinion on the second point is that section 59 of the Bombay District Municipal Act is not ultra vires the Constitution as offending against Article 14 of the Constitution.

201 (14)

In the light of the opinions expressed above, the State Govt. be pleased to pass a special order directing that no octroi should be levied on the timber belonging to the Forest Department from a future date to be specified there in.

Ref. paras 11 to 14 ante.

The notings of the L.D. at paras 11 to 14 ante may kindly be seen. As per the proceedings of the meeting held on 14-2-1961 (P.11/c) it was, however, felt not desirable that the Forest Deptt. should be mad to pay octroi and the question as to only the timbers relating to the Forest Deptt. could be exempted may be examined in consultation with the Law Deptt. But th L.D., in the circumstances, have opined that Govt. be pleased to pass a special order directing that no octro should be levied on the timber belonging to the Forest Deptt. for a future date to be specified therein This may be done at the appropriate time of extending the limits of the Dandeli Notified Area, in which case t area covered by the Forest Deptt. will have to be included. In the meanwhile the papers may be also show to the A. & F. Deptt. also.

D.No.6096 - 178/C CCF's letter dt.28-6-61.

P.U.Ds and enclosures are for perusal. Also perusal is requested of PLM's notes file No.LLH 271 - FDS 60 placed below (flag A). 211.

In his letter of 24-4-61 (P.161/CF) the CCF stated that the M(Forest) disapproved the inclusion of the Forest buildings, Jai Hind Saw Mills and the Research Garden in the Township Dandeli. As regards the areas occupied by the three Industries at Dandeli, the CCF requested that this may be examined in consultation with L.D., since the areas are granted on leases by Forest Department which form part of agreements with the respective Industries. The CCF has been asked to make available the copies of the agreements so that the case may be referred to L.D., vide Govt.letter of 25-5-61 at P-163/CF. The agreements are still awaited from the CCF. 212. A

The Div.Commissioner, Belgaum insists that the areas on which Timber Depot etc., are situated and also the areas occupied by the three Industries should be disforested early in the interest of efficient working of the Township, vide his letter of 11-5-61 at P.174/CF. In the meeting held on 14-2-61 in the chambers of Minister for Law, Labour and LSG, it was decided that all the areas covered by the three Industries as well as the Forest Depots should be brought within the notified area, vide proceedings at p.151/CF. 213.

Copies of the lease deeds under which the lands of lease have been leased out to the industries may kindly be sent for.

16/8/61

S. V. PRABHU
Under Secy., Law Dept.

LAW DEPARTMENT:

The area leased out to the three industrial concerns is for factory-site and housing colonies of the employees and according to the agreement, the tree growth therein has to be removed and the land is to be kept clear of lantana and other growth. Therefore, practically, the said area has lost the importance of a reserved forest. The importance of a reserved forest is in the prohibition of the acts imposed under Section 26 of the Indian Forest Act. According to Section 27, it is open to declare such forest as no longer reserved. Thereby, the protection afforded is lost and in all other respects, the land remains the property of the Government subject to other incidents.

Note.—Contn. Sheet

An Agreement made at Bombay the 25th day of April One thousand nine hundred and forty-six BETWEEN THE GOVERNOR OF BOMBAY hereinafter called "Government" (which expression shall unless the context does not so admit include his successors and assigns) of the one part and of THE INDIAN PLYWOOD MANUFACTURING COMPANY, LIMITED, a Company incorporated under the Indian Companies Act, 1913, and having its registered office at Bombay hereinafter called "the Company" (which expression shall unless the context does not so admit include its successors and assigns) of the other part.

WHEREAS the Company is desirous of starting a Factory at Dandeli, Kanara District, for the manufacture of veneers and plywood and accessories necessary for making plywood containers or other like finished and semi-finished plywood articles.

AND WHEREAS the Company has requested Government to grant to it a concession for the purposes of the said factory for a period of forty years for the extraction of trees over six feet in girth of the species named in the Schedule A hereto in the areas mentioned hereafter which Government has agreed to do upon certain terms and conditions.

AND WHEREAS before signing this agreement the Company has deposited with the Divisional Forest Officer, Kanara Northern Division (hereinafter called "the Divisional Forest Officer") a sum of Rupees two thousand five hundred as security for the due compliance with and the performance by the Company of all the terms and conditions in this agreement as far as they are to be observed and performed by the Company AND WHEREAS by a rule under section 76, clause (*d*) of the Indian Forest Act, 1927, hereinafter called "the said Act" whoever enters into any contract with any Forest Officer acting on behalf of Government shall if so required by such Forest Officer, bind himself by a written instrument to perform such contract, NOW IT IS HEREBY MUTUALLY AGREED AS FOLLOWS:—

1. The Company will have a concession for forty years from the ninth day of February 1943 for the extraction of trees over six feet in girth over bark at 4½ feet above ground level of the species named in the Schedule hereto and such other species as may be from time to time added by the Conservator of Forests, Southern Circle, at the request of the Company and with the sanction of Government, and suitable for the Company's purposes in the area mentioned in clause 2 at a royalty of Rupee one per ton of 50 cubic feet of extracted material to be paid

to Government, the rate of royalty being liable to revision in the event of the concession granted to the Karnatak Industrial and Plywood Company, Limited, being cancelled or the latter Company's rate being revised either on the expiry of the 10 years' period or earlier on account of its failure to comply with the terms of the concession. This concession is granted to the Company for its own manufacturing purposes only. The Company will, during the period of this agreement, also be given timber of the following species, if available, in reasonable quantities and purely for its manufacturing purposes at the following rates mentioned against them below. The Conservator of Forests, S. C., shall have the absolute discretion to determine what quantity is reasonable for this purpose and his decision shall be binding upon the Company:—

	Rate per ton.
(*a*) Tectona grandia (Teak) (*b*) Delbergia latifolia (Rosewood) (*c*) Santalum album (Sandalwood) (*d*) Pterocarpus marsupium (Bijasal)	Current market rates less cost of transport and extraction as notified by the Conservator of Forests, S. C., in January every year.
(*e*) Adina cardifolio (Haldu) (*f*) Lagerstroemia lanceolate (Benteak) (*g*) Saccopetalum tomentosum (Hoon) (*h*) Stephegyne parvifolia (Kalamb)	Rs. 20.
(*i*) Bombax malabaricum (Savar)	Re. 1 subject to revision at the end of the war.
(*j*) Odina wodier (Gugul) (*k*) Garuga pinnota (Kurak)	Re. 1.

The rates of royalty payable in respect of items (*e*) to (*k*) above shall further be subject to revision in the same manner as the royalty payable in respect of the species mentioned in Schedule A as aforesaid.

2. The concession mentioned in clause 1 will be given in the following forest areas:—

(*a*) Gund Range

(*b*) Virnoli Range

(*c*) Kulgi Range

(*d*) Sambrani Range excluding blocks III to VI inclusive of the Haliyal Teak Pole Plan, and

(*e*) Dandeli Range-part South of the Supa Haliyal road to Barchi cross roads and east of the Barchi Tawargatti road.

3. The Company will be allowed to extract timber of the species mentioned in Schedule A from its area in accordance with the sequence drawn up by the Company in consultation with the Divisional Forest Officer in such a way as to ensure to the Company its full annual requirements provided that the material is on the ground at the rates mentioned in clause 1 above. The removal of teak, rosewood and bijasal from organised forests will not be permitted and in unorganised forests it will be subject to special marking by the Forest Department. After the termination of the present war, removal of Haldu, Banteak and Savar from organised forests will be subject to the provisions of any sanctioned working plan in force. As regards breakages the Company shall either pay for the broken trees at the rates mentioned in clause 1 above and retain the resultant material or extract the material and hand it over to the Forest Department at the Dandeli Depot as directed by the Divisional Forest Officer, Northern Division, Kanara. In the latter event, the Company will be paid such extraction charges as may be approved by the Divisional Forest Officer.

4.(*a*) The Company shall forthwith upon felling the trees trim the stools thereof and shall keep such stools clear of debris. Elaborate trimming will not be insisted upon.

(*b*) The Company shall take such precautions as the Divisional Forest Officer may from time to time direct to protect from fire the area under exploitation and in the event of fire shall take measures to extinguish it and to prevent it from spreading.

(*c*) The Company shall prepare marking lists of all trees to be exploited in such manner as is ordered by the Divisional Forest Officer and forward a copy of such lists to the Divisional Forest Officer prior to commencing any felling.

5. The Company will have no right to compensation till the termination of the present war for any species exploited in the area of concession by the Forest Department for departmental or war supplies through them or other contractors.

6. The Company shall supply to the Divisional Forest Officer till the termination of the present war any timber or other forest produce which may be required for war or departmental use and shall receive payment at the rates to be fixed by the Divisional Forest Officer on the basis of the concession rates at which the Company is permitted to exploit timber or such produce plus extraction charges as may be determined by the Divisional Forest Officer to have been incurred by the Company provided that such supply shall not interfere with the execution of any orders which the Company may have in hand for the Department of Supply.

7. 61.5 acres of suitable land will be leased to the Company for a factory site at a rent of 4 annas per acre per year. Save for such trees as may be reserved for shade or other purposes, the whole factory area of 61.5 acres shall be cleared of tree growth within a month of the date of execution of this lease and kept clear of coppice shoots, lantana, brushwood and other growth during the currency of the lease; and

(*a*) a strip of 100 feet in width shall be cleared in all places where the boundary adjoins reserved forests and this strip shall be kept clear of vegetation throughout the period of the lease so as to prevent fire from spreading into the adjoining forests,

(*b*) the boundary and other marks shall be kept in proper repair throughout the period of the lease, and

(*c*) no part of the land shall be sublet and no part of any building constructed or any machinery erected on the land shall be sublet, assigned or sold for use or operation in the area of the concession to any person whatsoever without the previous permission in writing of the Divisional Forest Officer.

8. A plot of about one or two acres at a rent of Rs. 40 per acre per year will be given on lease to the Company on the eastern side of the Kalinadi river near the Dandeli Railway Station for a godown, loading siding, etc.

9. The Company will have the right to store logs in the Kalinadi river and its tributaries subject to such rules as the Divisional Forest Officer may pass subject to the right of appeal to the Conservator of Forests, S. C., or the Chief Conservator of Forests.

10. The Company will, for its operational purposes within the terms of this agreement, be allowed to use bamboos, climbers, except shigekai and fuel for charcoal manufacture, free till the date of determination of the present war. After that date Government will be paid for bamboos and fuel at the current permit rates.

11. The Company's carts or motor vehicles will be allowed to ply on all forest roads free of toll, subject to periodical closures and other traffic restrictions which the Divisional Forest Officer may from time to time prescribe to keep the road free from damage provided that such restrictions or closure will affect not only the Company's vehicles but also all similar vehicles to whomsoever they belong. Reciprocally all roads

constructed by the Company, except that running in the factory area as determined in clause 7 shall be open for traffic of the Forest Department free of toll.

12. The Company will be allowed to quarry stone and earth for its own factory, buildings or road construction purposes or to quarry earth for bricks or tiles for its own factory or building purposes free of charge from sites agreed to by the Divisional Forest Officer.

13. The Forest Department will appoint a Special Officer of the grade of Forester for measuring the Company's logs for issuing transit passes and assisting and supervising the operations undertaken by the Company in the forest. The pay and allowances of this officer will be paid by the Company. The Company will pay on demand the amount required to defray the cost of his pay and allowances of all descriptions, leave and pension contributions, fixed by the Conservator of Forests, S. C., who will have power to appoint more than one Special Officer for the purpose if it is found that one officer cannot deal with the estimated intake of raw material. The pay and allowances of the additional officers will also be borne by the Company.

14. The Company will be allowed to use water of the Kalinadi river free of charges but shall abstain from doing any act which is likely to pollute the water supply of the Dandeli Colony. The Company shall not construct dams across the Kalinadi river without the permission of the Conservator of Forests.

15. The Company will be permitted to use two tons (unladen weight) lorries to minimise transport expenses.

16. The Forest Department will supply all timber required for the construction of the Company's Works at the rates at which it is supplied to the Department of Supply, *i.e.*, scheduled rates plus 2½ per cent. provided that the Department of Supply agrees to release the same.

17. The Company will have the right to use and construct any roads or slides that may be required for extraction or transport of timber in consultation with and with the approval of the Divisional Forest Officer and to use all water ways for this purpose.

18. Government will not grant any concession for the manufacture of plywood in the areas mentioned in clause 2 to any other company during the period of 40 years stipulated in clause 1; but if the Company fails to establish the plywood factory and get into production to the satisfaction of Government within one month of the execution of this lease Government will be free after the said date to grant any concessions in

the said areas to any other company. If the Company's intake of available raw materials is less than 300 tons per month from May 1949 onwards Government will be also free to grant any concessions in the said areas to any other company after that date.

19. During the continuance of this lease and subject to such additional royalty and other conditions as Government may prescribe Government agrees not to grant any concessions in these areas to any other company for the manufacture of bobbins, shuttles, furniture, containers or chest wood pulp or any other timber produce without giving the Company the first opportunity for starting a factory for the manufacture of these articles within six months of the date of such offer.

20. The Company will have the right to extend the railway by a siding to its factory site, subject to the approval of the Madras and Southern Maratha Railway who manage the Alnavar-Dandeli Railway for the Forest Department or to erect an overhead wire rope way across the Kalinadi river from the Company's factory area to the railway siding.

21. The Company will have the right to ply its own ferry across the river Kalinadi for the benefit of its employees or for the transport of its goods and for such purposes shall have access to the ferry terminal.

22. The Company will not employ any labour engaged in the Government sawmill or working for the Forest Department or *vice versa.*

23. All output of the factory until the termination of the present war shall be placed at the disposal of the Government of India, Department of Supply.

24. For purposes of this agreement the present war shall be treated as having continued to, and as having ended on such date as the Central Government may declare.

25. The amount of royalty, rent or any other amount due under this agreement shall be paid to the Divisional Forest Officer on behalf of Government. If and whenever any part of the rent, royalty or any other amount due under this agreement shall be in arrear the same shall be recoverable from the Company in accordance with section 83 of the said Act or as an arrear of Land Revenue in accordance with sections 82 and 85 of the said Act or in both ways. If the said rent or royalty due under this agreement hereby reserved shall be in arrear for the space of 30 days whether the same shall be legally demanded or not or if any other amount due under this agreement shall be in arrear for the space of 30 days after it shall have been legally demanded or whenever there shall

be a breach of any of the covenants or conditions by the Company which shall not have been rectified within a reasonable time (as to which Government will be the judge) of their having been officially brought to the Company's notice, Government will be at liberty either to terminate this agreement and to claim forfeiture of the said deposit or to continue the same but at such revised rates of royalty and/or upon such revised terms and conditions as the Government may in its absolute discretion think proper.

26. The Company shall—

(*a*) pay the full amount of royalty of the material extracted by it from its area to the approved depot whether the whole of the material so extracted is used by it or not.

(*b*) before commencing felling operations in the exploitation area of the year send a representative with the Divisional Forest Officer to inspect the boundaries of each year's area as demarcated on the ground by the special or other marks, and shall satisfy itself that the boundaries are defined clearly and sufficiently upon the ground by the special or other marks, and shall give such officer a written certificate that it is so satisfied and further shall sign the plan of the area under exploitation each year in acknowledgment that it delineates correctly the exploitation area as demarcated upon the ground.

(*c*) sign as correct the map defining the whole concession area covered by this agreement.

(*d*) remove from the area under exploitation not later than the date fixed by the Divisional Forest Officer all the material to which it is entitled; and shall stamp all timber pieces with its private property mark before they leave the area.

(*e*) bring all the timber, firewood and other things which it is entitled to remove from the area under exploitation to a depot (the site of which will be fixed and pointed out to it by the Divisional Forest Officer) in order that the same may be measured, counted, registered and branded, if such is deemed by the Divisional Forest Officer to be necessary; and shall, if so required by the Divisional Forest Officer, arrange them there for that purpose in the manner prescribed by him.

(*f*) submit from time to time to the Divisional Forest Officer the name, age and address of every person whom it may propose to employ in superintending its operations in the forests and in the depots fixed for measurement of the timber and shall supply such person with a certificate of appointment which shall be countersigned by the Divisional Forest Officer, but it shall not employ nor continue to employ any such person to whom the Divisional Forest Officer may object.

(*g*) when called upon to do so by an authorised Forest Officer, take charge of and keep safely the book called "the Contractor's book," which it shall produce immediately on demand by such Forest Officer and shall return the same to such Forest Officer on the expiry of the operations in the forest each year. Any notice written by the authorised Forest Officer in this book shall be considered as a notice issued in conformity with this agreement.

(*h*) not allow any tree to fall on roads and if during felling operations any tree falls on a road side it shall remove such tree immediately so as not to cause obstruction on the road in any way.

(*i*) take precautions, not to damage or obstruct the telegraph wire or posts during the currency of the contract.

Non-compliance with any of the aforesaid conditions in this agreement in respect of each and every particular tree and stool shall be deemed to be a distinct and separate breach for the purpose of the penalty clause.

27. The Company, its servants and agents shall abstain from the following acts, that is to say—

(*a*) from subletting this contract, or any portion thereof to any person whatsoever without the previous permission in writing of the Government;

(*b*) from continuing any operations in the concession area after expiry or termination of this agreement;

(*c*) from felling, lopping, injuring or permitting to be felled, lopped or injured by any person—

(*i*) any reserved tree, that is to say, any tree which has not been specially marked for felling and included in

the marking list or any tree of the kinds specified in item (*c*) of Schedule B hereto annexed within the area under exploitation, or

(*ii*) any tree or other forest growth outside the area under exploitation.

(*d*) from stacking timber or firewood upon the stools of felled trees or upon any coppice shoot or seedling;

(*e*) as far as possible from causing or allowing the branches of any felled tree to encumber in any way or to lie upon such stools as aforesaid or upon any coppice shoot or seedling;

(*f*) from (*i*) taking, (*ii*) removing, (*iii*) claiming or (*iv*) stacking among, below or near any material belonging to the Company any branches, shoots and thorns of any sort having a girth of 6″ and under in any part, and leaves of trees felled by the Company or any other material specified in item (*b*) of Schedule B hereto annexed for the satisfaction of privileges granted to villagers or for any other purpose;

(*g*) from interfering with any villager or villagers who may be permitted by a Forest Officer at any time after the commencement of the felling to take and remove any material reserved under the last preceding clause or to cut and remove brush-wood for firewood or rab from the concession area or with any person who may be ordered by the Divisional Forest Officer to carry out or perform any forest operation or work for the improvement of the forest or for any other purpose;

(*h*) from manufacturing charcoal without the permission in writing of the Divisional Forest Officer;

(*i*) from removing any timber, firewood or other things from the depot fixed or pointed out by the Divisional Forest Officer, (*i*) otherwise than under cover of a pass in accordance with the rules in force under section 41 of the said Act, issued by some person duly authorised under the said rules to sign and issue such pass, and with all the information required by the said rules duly entered therein, or (*ii*) by any route or routes other than that or those approved by

the Divisional Forest Officer; this condition does not apply to articles which it is permitted to manufacture under the terms of this agreement in transit from the factory area to the Dandeli Railway Station;

(*j*) from removing any timber, firewood or other things from the said depot without the permission of the Divisional Forest Officer unless the conditions as to payment for the time being have been duly fulfilled;

(*k*) from stacking or keeping any material at any place within the limits of the forest other than authorised depots;

(*l*) from bringing into and from permitting to enter the area under exploitation any cattle, except such as may be necessary for the purpose of this contract;

(*m*) from permitting cattle of any kind to be loose or to graze within the area under exploitation;

(*n*) from cutting or removing any tree in contravention of clause 3;

(*o*) from erecting elsewhere than in the factory area, saw pits or any sawing machinery, anywhere inside or outside the limits of its concession are as except for the purpose of cross cutting timber, without the permission of the Divisional Forest Officer in writing. There is no objection to the use of improved mechanical means of felling trees.

28. The Company agrees to perform the following conditions, that is to say:—

(*a*) it shall defray all expenses which may be incurred in felling, converting and removing the timber and firewood and other things to which this contract applies, including any compensation payable under the Workmen's Compensation Act, 1923 (VIII of 1923), to workmen employed by him;

(*b*) in the event of the whole or any portion of this contract being sublet with the written permission of the Governor of Bombay the Company shall be responsible for the acts and omissions of the sub-contractors and their servants as if they were the servants of the Company;

(*c*) if by reason of, or in the course of, any manufacture of charcoal at any place, whether pointed out on this behalf by the Divisional Forest Officer or not, any damage is caused

to any stools, coppice shoots or seedlings, or to any reserved tree the liberty to carry on any manufacture of charcoal within the concession area may be withdrawn forthwith by the Divisional Forest Officer, and the charcoal, if any, still within the concession area may be confiscated by the Divisional Forest Officer, and the Company shall also be liable to Government for the amount of all such damage.

(*d*) any timber and firewood or other things removed from the concession area or from the depot otherwise than in accordance with the conditions hereinbefore contained shall be liable to seizure by any Forest or Police Officer and when so seized, shall be forfeited to Government;

(*e*) any timber and firewood or other things remaining in the depot aforesaid or anywhere within the limits of the forests, after the expiry or termination of this agreement shall be the property of Government and may be removed from the said forest by the Divisional Forest Officer;

(*f*) the Company shall be liable to Government for the amount of all damage which, at any time previous to the date of expiry or termination of this agreement or such earlier date as the Divisional Forest Officer may, by order in writing, fix in this behalf, may be caused to any forest produce belonging to Government within the area under exploitation by illicit cutting, by fire or by cattle grazing, if such cutting or fire is traceable to any act or omission of the Company, its servants or agents, and if such cattle belong to or have been allowed to graze by the Company, its servants or agents. Failure to pay the said amount of damage as assessed by the Divisional Forest Officer shall make the Company liable to pay to Government a penalty of an amount upto Rs. 2,500 (two thousand five hundred only) and the amount of such penalty shall be recoverable from the Company under section 85 of the said Act as if it were an arrear of land revenue;

(*g*) it shall pay all such expenses as the Divisional Forest Officer may determine to be necessary for, or to have been incurred in the execution of any work or thing to be done, which by the conditions hereinbefore contained it has bound itself to perform or do and which on requisition may by the Divisional Forest Officer it has failed or omitted within

the time specified in such requisition to perform or do. Failure to pay the said expenses on demand by the Divisional Forest Officer shall make the Company liable to pay to Government a penalty of an amount upto Rs. 2,500 (two thousand five hundred only) and the amount of such penalty shall be recoverable from the Company under section 85 of the said Act as if it were an arrear of land revenue;

(*h*) if, in the opinion of the Divisional Forest Officer, the Company or any of its servants or agents has or have broken, evaded or failed to fulfil any of the conditions hereinbefore contained or infringed any provision of the forest law or rules for the time being in force, it shall be lawful for the said Divisional Forest Officer by a notice in writing to be served upon the Company to retain out of the Company's deposit (whether it may be in the form of Government promissory notes or postal cash certificates or currency notes or cash) or out of any other money of the Company in the possession of any Forest Officer or recover from the Company the amount of such portion as is possible of the amount of damage sustained by reason of the non-performance by the Company of this agreement;

Provided always that nothing in this clause shall affect the liability of the Company, or any of its servants or agents to criminal prosecution for any offence committed by it or them against the forest law or rules for the time being in force;

29. AND IN CONSIDERATION OF THE PREMISES the Government doth hereby agree with the Company that if it shall well and duly perform this contract, it shall enjoy for and within the period and subject to the restrictions and conditions hereinbefore stipulated the following privileges, viz.,

(*a*) the privilege of removing from its exploitation area for the purposes of manufacture permitted under this agreement, timber and firewood specified in item (*a*) of Schedule B hereto annexed;

(*b*) the privilege of manufacturing charcoal with the permission in writing of the Divisional Forest Officer, within the concession area and of removing the same therefrom for its use within the factory and residential area.

AND it is further hereby agreed between the parties that in this agreement

(1) the term "Divisional Forest Officer" shall be deemed to mean Divisional Forest Officer, Kanara Northern Division or any Forest Officer authorized by him in writing to act in the matter of the clause in which the said term is employed;

(2) the term "Conservator of Forests" shall be deemed to mean the Conservator of Forests for the time being.

30. And it is hereby expressly agreed and declared that in consideration of the concessions hereby granted to it the Company hereby doth bind itself to perform every duty and act expressed in the terms, conditions and covenants hereinbefore contained as to be performed by the Company and doth hereby further covenant with the Government that the Company, its servants and agents will abstain from every act expressed in the terms, conditions and covenants hereinbefore contained as to be abstained from and doth hereby agree, in case of any breach of any of the said terms, conditions and covenants hereinbefore contained to pay to the Government through the Divisional Forest Officer on demand made in that behalf by him the sum of one hundred rupees for each such breach and that the said sum of one hundred rupees will, in accordance with section 85 of the said Act, be recoverable from the Company as an arrear of land revenue without prejudice to any other remedy which the Government may have against the Company under this agreement in respect of the said breach.

31. The Government hereby agrees that it shall not without the previous consent of the Company modify or vary any of the terms, conditions or covenants contained in the agreement dated the 7th day of May 1946 between the Government of the one part and the Karnatak Industrial and Plywood Company Limited of the other part so as in any manner to prejudicially affect the business or other interest of the Company by putting the said Karnatak Industrial and Plywood Company Limited in a position to compete with the Company on more advantageous terms.

IN WITNESS WHEREOF THE GOVERNOR OF BOMBAY hath caused the Conservator of Forests, Southern Circle, Belgaum, to set his hand and affix his official seal hereto on his behalf and the Common Seal of the Indian Plywood Manufacturing Company Limited has been affixed hereto the day and year first above written.

Copy of the letter No.24/31/153$5 of 1956-57 dated 5-2-57 from the Conservator of Forests, Belgaum Circle to the Collector of Kanara Karwar.

--

I am sending herewith a copy of the Chief Conservator of Forests in Mysore, Bangalore's No.B3/90/1713/56 dated nil January 1957 for perusal

According to minutes of the Minister for Forests and the Agriculture an area of 100 acres only is to be disforested and released for the purpose of town planning at Dandeli instead of 200 acres as previously intended. This may please be brought to the notice of the town planning Department.

In this connection, I have to invite ~~xf~~ reference to this office No.24/31/13126 of 10-12-56 in which it has been stated that an area of 15 acres in the area proposed for town planning has already been demarcated and the treegrowth therein has been sold for Rs.25,000/- Hence the area now remaining to be cleared is 85 acres only. I am instructing the Divisional Forest Officer, Kanara N.D. to clear only 50 acres out of this area in the first instance after selecting the same in colsultation with you. The balance of 35 acres being taken up when the building activities in the township progress satisfactorily necessitating clearance ~~x~~ of the remaining area. Necessary further action may please be taken in the matter very early.

The Secretary to Government,
Agriculture and Forest Department,
Bangalore.

5 NOV 1957 FOREST & EDUCATION

Sir,

Sub:-Release of 200 acres of Forest land in Dandeli for formation of a village.

3673. AFD 60 DARS7.

MYSORE GOVERNMENT SECRETARIAT No. 1392 5 NOV 1957 ANIMAL HUSBANDRY & FOREST BRANCH

I write to state that according to Government letter No.FAM 1398/Ft dated 17-1-1957 an extent of only 100 acres of land was ordered to be released for Dandeli Town-ship against the area of 200 acres originally proposed, and action was taken to clear thise 100 acres only. But, my predecessor who had visited the area had issued instructions to the Conservator of Forests, Belgaum Circle in this office letter of even number dated 29-7-1957 to clear the remaining 100 acres also if the Town Planning Committee constituted by Government decides to have the whole area of 200 acres disforested. Now, the Secretary, Dandeli Township Committee in his letter dated 7th October 1957 (copy enclosed) has addressed to the Conservator of Forests, Belgaum Circle to take action to clear the remaining area also. Accordingly, the Conservator of Forests, Belgaum Circle has been instructed to take immediate action to clear the remaining 100 acres also as desired by the Secretary. The action taken by me in this behalf may kindly be got ratified by Government and communicated to me early.

Yours faithfully,

(K.KADAMBI)
Chief Conservator of Forests.

AS/26/10.

301. D. No: 2725 - CCF's letter No: B 3-90-1713/56-57 dt. 2.4.62.

302. PUD & its enclosures may kindly be seen. Also perusal is requested of notes at paras 297-299/n.f. supra.
The CCF agrees to the disforestment of 1122 Acres - 34 Gunthas at Dandeli, as proposed in Div. Comr. Belgaum letter of 12-3-62 at page 267/CF. The CCF however solicits orders on two points, besides disforestment of 1122-34 acres, viz i) Proprietary rights of the Forest Dept over the areas, occupied by the Timber Depot, Jai Hind Saw Mills & Research Garden etc, and ii) authorising the D.F.O Dandeli to take actions under Sec. 43 of Bombay Land Revenue Code 1879 in respect of standing trees in the area under disforestment. Also, the C.F Belgaum requests

PTO

Note.—Contn. Sheet

Mysore Government Secretariat

orders, exempting the Forest Dept from payment of octroi on timber etc & other taxes, as resolved in the meeting held on 17-8-1961.

Serial No.

302. There is difference of opinion between the C.F. Belgaum & the Dist. Comr. in regard to authorising the DFO to take action under Sec. 43 of Land Revenue Code in respect of standing trees. The Dist. Commr. holds that this power will be exercised by the Rev. authorities soon after the lands are disforested. We may perhaps agree with the Dist. Comr. on this point.

303. If approved, A & F.D. may agree to the proposal for the disforestment of 1122 Acres — 34 Guntas. The case may be referred to PWM & R. D. for remarks.

304. Draft G.O. is sent. The draft notification in this respect is at Page 274/CF.

Serial No.

Agriculture & Forest Department.

(F o r e s t s).

230 Attended the Meeting to-day at 2 P.M. in the chambers of the Labour Minister. Items 1, 2 and 8 relating to the Forest Department were taken up for discussion. As regards item (1), it was agreed that the Depot area be also disforested on condition that the Forest Department would be exempted from payment of octroi. As regards the area covered by the industries, it was agreed that the area would be disforested and brought under the Municipal Law but the proprietory rights over the area will continue to vest in the Forest Department unless there is any legal difficulty.

231 It was agreed that the Railway should be addressed for strengthening of the Railway line between Alnavar and Dandeli and that we should inform the Railways that we will be willing to bear the cost.

232 Minutes of the Meeting may be awaited before further action is taken so far as these items are concerned.

30/5/57

No.O/C/414. Karwar, 22-5-1957.

Subject: Disforestment of land for Town Planning at Dandeli in Haliyal taluka.

I am sending herewith a copy of my letter No. O/C 1414 dated 18-10-1956 addressed to the Secretary to Government, A.& F.D., Bombay, under which proposals for the disforestment of an area of 200 acres out of Forest Compartment No.4 of Dandeli were submitted. The original papers relating to this subject might have been forwarded to you by the Government of Bombay by now.

The Conservator of Forests, Belgaum Circle, has, however, sent me a copy of the Minutes of the Minister of Forests, Government of Mysore, in which the Minister has expressed that only an area of 100 acres might be released for the present for the construction of the village. The Government of Bombay had directed that the minimum area required for the enlargement of gaothan at Dandeli should be decided after a joint discussion by the Collector with the Chief Conservator of Forests, representativ of the Public Works Department, Town Planning -- Health and one or two of the responsible local citizens. The proposals submitted to Government for the disforestment of 200 acres were in accordance with the decisions reached at the Joint meeting held at Dandeli on 7-5-56. Since the Minister for Forests, Government of Mysore, has, howevdr, now suggested the release of 100 acres initially, I request you to move the Government

P.T.O.

64.

OFFICE OF THE
CHIEF CONSERVATOR OF FORESTS
IN MYSORE, BANGALORE

D.O.No.BS-90-1713/56

Dated/ 3rd September, 1958

15

Dear Shri Shankar Rao,

Sub: Release of forest land in Dandeli for formation of a Township - Disforestment proposals.

Ref: This office letter No.B3-90-1713/56 dt. 1-9-1958.

I enclose herewith a copy of the letter No.AFD 60 DST 57 dated 2nd September, 1958 received from the Government in the Agriculture and Forest Department. Government desire that a draft notification for disforesting 200 acres of forest land for the formation of township at Dandeli should not be delayed by more than a week. I, therefore, request you kindly to send me the dis-reservation draft notification immediately.

Also kindly see para 2 of the enclosed letter of the Government. It is stated that an area of 1611 acres and 38 guntas have to be dis-reserved including the area of 200 acres of forest referred to above. Kindly indicate whether this large area is required and take needful further action in the matter by consulting the Divisional Commissioner and let me know when and where we could meet for this discussion.

Yours Sincerely,
Sd/-
(K.Hadambi)

Shri M.S.Shankar Rao, I.A.S.,
Deputy Commissioner,
North Kanara District, Karwar.

Copy to the Secretary to Government, Agriculture & Forest Department, Bangalore, with reference to, his letter No.AFD 60 DST 57 dated 2-9-1958. The notification will be sent immediately on receipt from the Deputy Commissioner.

CHIEF CONSERVATOR OF FORESTS

124

Letter

To

The Secretary to Government,
Agriculture and Forests Department,
Bangalore.

No.O/C 1414 Karwar,19-8-1958.

Subject: Release of forest land in Dandeli for formation of a Town ship.

Reference: Your letter No.AFD.60 DST 57 dated 12-8-1958 addressed to the Chief Conservator of and copy endorsed to this office.

With reference to the above quoted letter, I have to submit as under:

A D.O.letter No.LLH.8 TNP-57 dated 16-7-1958 was received from the Secretary, Local Self Government and Public Health Department directing this office to submit draft disforestment notification without actual measurement of the 200 acres, to obviate legal objections for issuing a proclamation under section 8 of the Bombay District Municipal Act 1901. Accordingly, a draft notification was prepared showing therein approximate areas falling within the comprehensive town planning and the same was personally handed over by me to the Secretary to Local Self Government and Public Health Department during my last visit to Bangalore in connection with the Deputy Commissioner's' Conference.

In the circumstances, I may kindly be informed as to whether fresh proposals for disforestation of 200 acres should also now be submitted after regular measurement of the area as directed in the endorsement referred to above. This clarification is necessary as the two hundred acres referred to above have been included in the disforestment notification handed

P.T.O.

over by me to the Secretary, Local Self Government and Public Health Department.

(M.S. Shankara Rao)
Deputy Commissioner, Kanara.

Sub:- Release of 1000 acres of Forest Lands for the Dandeli Twon Ship.

Ref:- Your letter No. AFD 60 DST 57 dated 22-10-59.

On reexamination of the question it is felt that it would be better to disforest the area required for Dandeli Twonship and hand it over to the notified area Committee. The area may be disreserved treating it as an enclosure and a cleared ring line 1 chain wide may be marked, all rounded to protect the forest beyond the disforested area. The territorial Range Forest Officer may be nominated as a member of the Notified Committee or the Municipality when it is formed to safeguard the interest of our forest in the neighbourhood of the township which contains valuable Forest, plantations and timber stocks.

Yours faithfully,

CHIEF CONSERVATOR OF FORESTS.

MOST IMMEDIATE.

D.O.No. AFD 60 DST 57.

Dear Dr. Kadambi,

Kindly refer to Government letter number even dated 2-9-58 regarding release of forest land in Dandeli for formation of a Township and subsequent reminder thereon dated 14-10-1958.

Disforestment notification in respect of 200 acres already released has been issued in Government Notification No. AFD 60 DST 57 dated 23-9-1958. It was desired of you to discuss the matter with respect to the further release of about 1,000 acres of forest land for the Township with the Divisional Commissioner, Belgaum, Deputy Commissioner and the Conservator of Forests, Belgaum and to send up to Government for consideration agreed recommendations early. The matter is of utmost importance and should brook no further delay. Proposal may be sent to Government before 25-10-58.

Yours sincerely,

H.L. Lingaraj Urs

Sir,

SUBJECT: RELEASE OF 1000 ACRES OF FOREST LANDS FOR THE DANDELI TOWNSHIP.

Reference: Your D.O.No.AFD 60 DST 57 dated 17-10-1958.

--

1. The matter was fully discussed with the Divisional Commissioner, Belgaum, the Deputy Commissioner Karwar and the Conservator of Forests, Belgaum, being also present, on the 14th of November 1958, as this could not be done earlier because the Divisional Commissioner was otherwise engaged and it was impossible for me leave headquarters owing to other local meetings here and on account of the Assembly Sessions.

MYSORE GOVERNMENT SECRETARIAT
NO. 12642
25 NOV 1958
FOREST BRANCH

2. As already reported by me in my letter of even No. dated 23-10-1958, there is no objection to the release of this area for developing the township, but what is required is to see if dis-reservation i.e. removal of the provisions of the Forest Act, is absolutely necessary in this connection. On examination of the case, it was brought to light that there are other localities like Karwar on the West Coast, Metheron on the Bombay side etc., where townships have developed on reserved forests and yet the area has not been dis-reserved. It was, therefore, generally opined that we could find out from the Law Secretary whether by making suitable amendments under the provisions of the Forest Act, it would not be possible to enforce all municipal laws still retaining the general applicability of the Forest Act to this area. In other words, the Committee wanted it to be examined whether it could not be declared either as as municipal or notified area by making suitable amendments

(P.T.O)

132

both under the Forest Act and Rules and under the Municipal Law, proposed to be applied to this area.

3. It was felt that the above would be a very suitable arrangements if it can be put through. I request you kindly to take suitable further action in the matter or issue such other orders as deemed fit in this connection.

Yours faithfully,

CHIEF CONSERVATOR OF FORESTS

24/x'/

stages as and when required and not all at once in the interest of our forests. Disreservation is an easy process and the land could be placed at the disposal of the township as and when it develops in anticipation of disreservation notification. I shall be grateful if you will bring it to the kind notice of the Government and obtain early orders.

Yours Sincerely,

(K. Kadambi)

Department, Bangalore.

No.0/F.517. Karwar, 19th October 1958.

Subject :- Dandeli Township Board.
Constitution of --

The matter relating to the formation of the Township Board at Dandeli was discussed when the Chief Secretary and the Secretary to Government, Agriculture and Forest Department visited Dandeli on 10-10-1958. The following steps were proposed to be taken :-

2) The preliminary Notification under section 187(1) of the Bombay District Municipal Act, 1901 in respect of the 200 acres that are already disforested may be published immediately. As regards the lands now leased to West Coast Paper Mills and the Ferro Manganese Company, it may be exami whether the lands can be notified as having formed part of t Township area even without disforestment. The question of including the provision to do so either in the Municipal A that is likely to be enacted shortly or in the Forest ... be examined as it would be essential to include these lan in the Notified area to enable the Notified Area Committee to levy octroi in respect of the goods brought into this area. However, the question of levy of octroi will only be taken up in case no satisfactory arrangements can be made with the two industries regarding the lump sum contributions to be paid these industries to the Town Board.

A

3) Out of the 200 acres already disforested, abo 80 to 100 acres have been clear-felled and the rest of the area is expected to be clear-felled by 31st March 1959. 25 acres of land is required to be handed over immediatel the ... Low Income Group Housing Board as it has undertaken construct 400 quarters immediately. Though the trees hav cleared and the bamboos are being removed by the West Coa Paper Mills, still the land will have to be cleared of a the roots and bushes and also levelled and marked out into sites. Bulldozers will have to be engaged for levellin

10 and it is very necessary that at least some staff will have to be sanctioned for this purpose. I, therefore, recommend that as an immediate step, the following staff may be sanctioned :-

	Grade.
1) One Tahsildar to be Executive Officer of the Town Board.	Rs.200-20-400.
2) One first Division clerk	Rs.75-5-90-6-150-10-180.
3) Two peons	Rs.25-1/2-35.
4) Three Overseers	Rs.120-10-200.
5) One Sanitary Inspector	Rs. 100-5-150.

The Headquarters of the Overseers will have to be located at Dandeli and they will work under the supervision of the Township Board and under the technical supervision of the Deputy Engineer, Haliyal. An advance of Rs.2 lakhs may be advanced to the Township Board for taking up essential works in connection with the formation of the Township.

4) The West Coast Paper Mills have informally agreed to provide water supply for the construction of the houses to be undertaken by the Low Income Group Housing Board. The possibility of utilising for drinking purposes the water let out by the Ferro-Manganese Company after cooling the machinery for drinking was also considered. The Company was agreeable to make this water available provided they were not charged for the water actually supplied to the Township. Samples of the water have been sent to the Chemical Examiner at Bangalore and the Director of Public Health and a further report will be sent after receiving the results of the examination from them.

5) The industries also represented for immediate sanction for an Industrial Estate at Dandeli as many subsidiary industries are bound to grow up to feed the industries. The West Coast Paper Mills also promised to make arrangements for providing power to the Industrial Estate in case the Industrial Estate is sanctioned at an early date. As soon as decision is taken regarding the formation of an Industrial Estate at Dandeli, proposals will be submitted for disforesting the additional area required for the purpose.

(M.S.Shankara Rao)
Deputy Commissioner, N.Kanara.

Extract of para 50 of File No. LLH 7615(Lab) 1958.

LAW DEPARTMENT.

(50) As regards the first question, it is not possible to notify the area under section 187 of the Bombay District Municipal Act because so long as any area continues to be reserve forest, the restrictions laid down by section 26 of the Indian Forest Act as in force in Bombay area, will continue to operate. It is only when any area is free from these restrictions by issuing a notification under section 27 of the Act, that the question of forming that area into a notified area can be considered.

In view of what has been stated above, the second question of issuing a notification, under section 8 of the Bombay District Municipal Act before the reserve forest is deforested, does not arise.

sd/- T.K.Tukol,
Addl. Law Secretary,

Sir,

Sub:- Release of 1000 acres of Forest lands for the Dandeli Town Ship.

Ref:- Your letter No.B3-90-1713/56 dated 21-11-1958.

....

I am directed to state that a similar case was referred to Law Department by the Local Self Government and Public Health Departm seeking advice as to whether the areas, viz Dandeli etc. can be no ified under Sec. 187(i) and (ii) of the Bombay District Municipal Act. It was however thought by the L.S.G. & P.H. Dept that the proclamation under Sec. 8 need not necessarily wait till the dis-forestment of the area is completed. The opinion expressed by the Law Department in this case is as follows:-

"As regards the first question, it is not possible to notify the area under section 187 of the Bombay District Municipal Act because so long as any area continues to be reserve forest, the restrictions laid down by section 26 of the Indian Forest Act as in force in Bombay area, will continue to operate. It is only when any area is free from these restrictions by issuing a notification under section 27 of the Act, that the question of forming that area into a notified area can be considered."

In view of what has been stated above, the second question of issuing a notification, under section 8 of the Bombay District Municipal Act before the reserve forest is deforested, does not arise.

As regards the proposal outlined in your letter under reference, Law Department has remarked that it may not be feasible to make the amendments suggested by you since such a course would result in the dual control of the Forest Department and the Notified Committee for the Municipality.

I am therefore to request you to clarify how the dual control could be reconciled. On receipt of your clarification Law Department would be requested to consider the proposal further.

Yours faithfully,

(S. . Mannan)
Deputy Secretary to Government,
Agriculture & Forest Department

Dear Dr. Kadambi,

Kindly refer to Govt. letter No. even dated 2.9.1958 regarding release of forest land in Dandeli for formation of Township and subsequent communication dated 16.10.1958.

Disforestment Notification in respect of 200 acres already released has been issued in Govt. Notification No. AFD 60 DST 57 dated 23.5.1958. I was deputed from Govt. to discuss the matter with respect to the further release about 1000 acres of forest land for the Township with the District Commissioner, Belgaum, DC of the City Belgaum and to send up to Govt. for consideration after

WD-01787—GPB—PZS—100,000—10-2-58.

Recommendation early. The matter is urgent and should be proceeded with without further delay. A proposal may be sent direct before 25.10.58.

I shall be grateful if the matter is looked into personally, & the result of same & proposals sent to Govt. before 25.10.1958 positively.

Yours sincerely,

To The Conservator of Forests, Belgaum.

Sir,

In continuation of my no even dated 12.8.58, on the above subject, I am directed to request you to forward to Govt., in consultation with the Deputy Commissioner Kanara, the draft notification for diforesting the 200 acres of forest land already released for the formation of a Township at Dandeli with its further (& in consultation with D.C).

delay. As the N.H. Kirkhan is reconn. before the township can be legally constituted, the matter may be treated as more urgent by reporting each with a view

2. I am also to forward herewith an extract of paras 3.5. to 3.8. from the Report of the Dandeli Township Committee indicating roughly the future need of

Forest lands for the Township. A draft notification prepared by the D.C. Kanara received through the C.S.C. & P.M. Deptt. is enclosed which indicates that an extent of 1311 acres 35 Gunthas have to be disforested. This is exclusive of the 200 acres of the forest area already released. The matter regarding the extra lands required is important and it is suggested that this be discussed with the Divisional Commissioner, the Deputy Commissioner, the C.F., Belgaum & yourself and an agreed recommendation forwarded to Govt. to avoid delay. Even though there may be some delay in such remarks in respect of forests cleared in this manner, action in favour should not be delayed. J.F.

Subject:-- Dis-afforestment oflands in Dandeli and Kumbarkop villages, Haliyal Taluka.

No. RB/FOR.S.R.589.
Belgaum, 10.6.1960.

To

The Secretary to Government,
Local Self Govt. & Public Health Deptt.
Bangalore.

Sir,

The question of extension of the limits of the notified area of the Dandeli town is under consideration of Government. Detailed proposals are held up because proclamation regarding application of the provisions of Chapter II of the Bombay District Municipal Act to the Dandeli town area hasnot so far been issued. In this connection I would invite your reference to my office letter No.GB/MUN.12/60-61, dt. 7th April 1960 and the subsequent D.O.reminder to your Under Secretary dt. 16.4.60.

2. In the meantime, as a question of Government policy has arisen I am writing this, so that you may kindly take up the question with the Agriculture and Forest Department and obtain necessary formal orders of Government thereon. Briefly the issue involved is as follows:--

Immediately after the issue of proclamation extending the provisions of Chapter II of the Act referred to above an area measuring 628 acres and 30 gunthas will have to be dis-afforested under section 27 of the Indian Forest Act and this area will be brought under the jurisdiction of the notified area of Dandeli town. This area includes Government properties belonging to Forest Department viz. the timber depot including forest buildings, Jai Hind Saw Mills and the Research Garden. The Forest authorities, who were

were consulted in the matt er are opposed to this inclusion on the ground that they will have to pay octroi on the timber imported into the Depot and the taxes on their buildings according to the rules to be framed by the Notified Area Committee. The Chief Conservator of Forests has advised the Conservator, Belgaum, Division to submit proposals for dis-afforestment of the area excluding the areas mentioned above.

3. I am of the view that exclusion of these areas will be highly prejudicial to the development of the township. These areas, if excluded, will constitute pockets or enclaves providing scope for evasion of octroi. The exclusion of these areas will also deprive thelocal body from a legitimate source of income. It is true that all this will affect the income of the Forest Department which, after discussion with the Conservator of Forests, I understand, would be of the order of about a lac of rupees per year. But if the area is to be developed on proper lines it must have sufficient sources of revenue to fulfil its responsibilities and undertake major works of development. The Forest Department seems to be under the impression that they would be unnecessarily increasing the income or earnings of the Dandeli town by payment of the octroi in return for nothing at all. But they seem to forget that Dandeli, as it develops, - and it is no doubt that it is developing fast -, will not merely be a depot but also an industrial town of some importance and will soon have a big market. The depot would therefore benefit very considerably being situated within the area of an industrial and market town. The growing town of Dandeli would obviously provide all amenities both to the purchasers of forest produce as also to the Forest Department. As such merely on grounds that the

159/18

the Forest Department would have to pay octroi and other taxes on their properties the proposition to exclude the areas mentioned above does not appear to be justifiable.

Considering the fact that Government itself is interested in the speedy development of Dandeli township the objections of the Forest authorities do not appear to be very valid, being based merely on the repercussions of octroises and otherlevies on the annual earning of the Department. I may, however, mention for your information that a case of more or less similar nature had arisen as early as 1925 when the Forest authorities had, for exactly similar reasons, moved the ex-Government of Bombay, to exlude the Kodibag Depot from the Karwar Municipal limits and the then Government of Bombay had rejected this proposal. I am enclosing a copy of the G.R. on this subject for information of Government.

4. As the notification for extension of the limits of Dandeli township will take some time and cannot however be submitted till the proclamation referred to in para 1 is published I shall be thankful if you would kindly take up this matter with the Agriculture and Forest Department as it involves a question of policy. If the suggestion made in this letter regarding non-exclusion of the areas now with the Forest Department is accepted, it would facilitate the submission to Government of the proposals for notification both for dis-afforestment as also for the extension of the limits. I am giving a copy of this letter to Secretary, Agriculture and Forest Department also. I shal be very glad to have an early reply in the matter.

Yours faithfully,

Sd. S.A.L.Razvi.
Divisional Commissioner, Belgaum.

Karwar Municipality:
Proposal to exclude the Kodibag
Depot from the limits of the...

Government of Bombay.
General Department.
Resolution No.5611.
Bombay Castle, 14th October 1925.

xx xx xx

RESOLUTION.-

JUN 1960
FOREST AGRICULTURE

AGRICULTURE & FOREST DEPARTMENT
No. 50
JUDICIAL SECTION
Date 17/6

It is apparent that the timber depot at Kodibag is not merely a depot but also a market and as such the depot benefits very considerably from the proximity of the town. It is, moreover, convenient to purchasers to have a town close at hand and it is also convenient to the Forest Department. The Government of Bombay (Transferred Departments) therefore see no reason to modify their decision negativing the proposal for the exclusion of the Kodibag Depot from the Karwar Municipal limits.

Minutes of the Deputy Minister for Home

121
167

M. No. DMH 54/60-61 *Dated, Bangalore,* 27th May.....1960.

During my stay at Dandeli, North Kanara District, on 23rd May 1960, I noticed that a large number of huts and houses had sprung up at random. There was no regularity. There were slums in some parts. Dandeli is a fast developing industrial town. This is situated in the forest area and unless the growth of the irregular construction of the houses is checked well in time, it will be very difficult to regularise the same on modern lines according to the town planning requirements.

AGRICULTURE & FOREST DEPARTMENT
No. 24
CAPITAL SECTION
Date 7/6
M. G. S.

I enquired the Special Officer of the Dandeli Town why action has not been taken to regulate the construction of the houses in this town and force the town dwellers to construct the houses on proper lines. He told me that orders to release the land from the Forest Department has not yet been communicated and notified and as a result of this, he could not take any action.

How about the matter with Forest?

C.C.F

I feel that if so much of delay is caused in releasing or notifying the lands for the purpose of constructing the houses, it would be beyond our control to regularise the same later. It is, therefore, necessary that action has to be taken immediately to release the land and lay out the sites as required under the Town Planning schemes. This matter may please be taken up early.

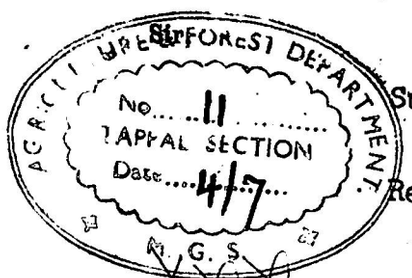
OFFICE OF
the Chief Conservator of Forests
in Mysore, Bangalore.

No. B3-90-1713/56.
Encls. Three sheets

Date 2 July 1960.

To

The Secretary to Government,
Agriculture and Forest Departments,
Bangalore.

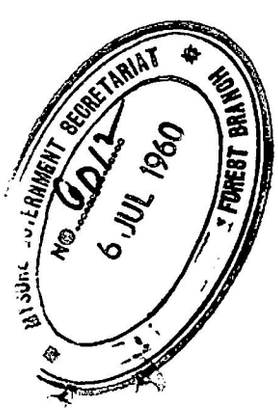


Sir,

Sub: Dandeli Notified Area- Release of 1,000 acres of Forest Lands for the Dandeli Townships.

Ref: Your endorsement No.AFD 5052/60 dated 15-6-60 re: release of land for the Dandeli Township- observations by the Deputy Minister for Home.

I write to state in this connection that an extent of 200 acres of land has already been dis-afforested for the Dandeli Township. A further area of 1000 acres is now being asked for to extend Dandeli Township which includes the Timber Depot site, forest buildings, the Jai Hind Saw Mills and the Research Gardens. The Dandeli Township authorities insist on the depot and all its premises being released. They further insist that they should levy octroi on Government timber entering the Depot and utilise this money which would be of the order of 1 to 2 lakhs of rupees a year, for the development of the Township. This is a fantastic proposal the like which one comes across very rarely. The land is ours, they wish to take it and make us pay for bringing in our own produce. I therefore wish to register my humble protest against the release of any forest land under these conditions. I suggest, per contra, that all the lands released to the Township should continue to vest in the Forest Department but be made over to the Township authorities on 999 years lease under a nominal lease rent of Rs.2/- per acre per year. The technical difficulty envisaged in making Municipal laws applicable to Forest areas could be easily over come by a slight modification of one of the clauses to the Municipal Act. This should be the least difficul problem in the whole affair.



PTO

problem in the whole affair.

The Township is going to house mainly the employees of the industrial undertakings which are rapidly developing in the area. These industries are all thriving very well. The task of bearing the burden of financing the development of the industrial Township should therefore rightly rest on the shoulders of the Industrial concerns. The Forest Department which is the mother of these industries should not be bled white on this account. I shall be grateful if Government views the whole matter in this perceptive and passes firm and final orders early.

A copy of the letter No. IND/GEN/DTS-14/11(4)/60-61 dated 9-6-60 received from the Conservator of Forests, Belgaum is herewith enclosed.

Yours faithfully,

N. S. Kanekar

CHIEF CONSERVATOR OF FORESTS.

No.IND/GEN/DTS-1441 (4)/60-61.
Encls. 2.

Office of the
Conservator of Forests,
Belgaum Circle.

Belgaum, 9 June 1960.

To

The Chief Conservator of Forests
in Mysore, Bangalore.

Sir,

Subject:-Dandeli Notified Area.
Release of 1000 acres of Forest lands for the Dandeli Township.

Ref:-Your No.B3-90-1713/56 dated 27.2.1960.

As per instructions contained in your above No., the Deputy Commissioner, N.Kanara, Karwar was requested in this office No.24/31/III/17065 dated 5.3.1960 to submit to Government a draft notification in respect of the proposed disforestment of 1000 acres at Dandeli for the Dandeli Township excluding the Government Timber Depot site which includes in addition to the Depot area the forest buildings and Jai Hind Saw Mill and the Research Garden at Dandeli.

2. The Deputy Commissioner, N.Kanara, Karwar has under his letter No.MUN/S.R.-VII-27 dated 23.5.1960 forwarded to me a copy of letter No.51 dated 11.4.1960 from the Special Officer, Dandeli and requested me to offer my remarks in the matter. Copies of both these references are submitted herewith for favour of perusal. From these, it appears that the concerned authorities of Dandeli Township Area insist on releasing the depot area, etc. which have been asked to be excluded from the proposed disforestment. Their main argument is that if the depot area is not included in the Dandeli Notified Area, there will be practically no income for the Notified Area. In this respect, I have to state that I am not agreeable to the inclusion of the depot area, etc. for the reason that in that event, the Forest Department will have to pay very large amount of octroi on timber alone since thousands of tons of timber are being brought into Dandeli every year from the neighbouring forests. Further, the largest timber depot of South India is the Dandeli Timber Depot situated at Dandeli rail-head and the Dandeli-Alnawar Railway also belongs to the Forest Department. So, if octroi is levied on timber coming into the Dandeli depot, the Forest Department besides foregoing forest areas will also have to give octroi over a lakh of rupees or more annually. In these circumstances I am not in favour of releasing any more forest area for the Dandeli Township.

3. The Special Officer, Dandeli in para 3 of his letter dated 11.4.1960 requests to confirm whether by 1000 acres it would mean 680 acres recommended by the Township Committee for the development of the Dandeli Township in the two stages and the area comprising of the Dandeli Township, the river side area and the Revenue Village of Dandeli (the forest depot, Saw Mill and Research Garden areas however being excluded). I feel that this is the correct position in view of what I have stated supra. This may kindly be confirmed.

4. Very early orders in the matter are solicited.

Yours faithfully,
D. Nanjundappa
(D.Nanjundappa) 9/6
Conservator of Forests, B.C.

SGJ.8.61

reference to this office letter No.628 dated 22.1.1960 in which I have given detailed reasons for inclusion of the Forest Depot Area etc. in the present Notified Area, Dandeli without the inclusion of which there will be practically no income for the Notified Area.

The correspondence with regard to the inclusion of the Forest Depot Area in the Notified Area is still in progress and no final decision is taken in the matter as yet. The Conservator may please be expedited in this connection.

It is true that the Forest land cannot be notified unless it is first disforested. After disforestment of the area and inclusion of the same inthe Notified Area it will be the land of the Revenue Department with the municipal provisions applied to it. When this is done the area covered by the Depot, Jai Hind Saw Mill and the Reesearch Garden could be retransferred to the Forest Department so that the Forest will have full control over the areas so far as their departmental activities are concerned, at the same time, the areas will remain within the Notified Area limits and all the civic amenities could be extended to the area. There will be then no legal difficulties for levy of property tax, octroi etc.

I think this would solve the difficulty of the Forest Department.

.....

Copy of letter No.628 dated 21/22.1.1960 from the Special Officer, Notified Area, Dandeli, addressed to the Deputy Commissioner, Kanara, Karwar.

.....

Subject:-Disforestment of lands in Dandeli and Kumbarkop villages in Haliyal Taluka, North Kanara District.

Ref:-Your endorsement No.O/F 517 dated 15.1.1960 on the above subject.

I would submit my report as follows:-

The relevant provisions of the Bombay District Municipal Act 1901 cannot be applied to the area proposed for extension and included in the existing notified area unless the said area is disforested and notified by Government. In this connection reference is invited to para one of the D.O. letter No.LLH 8 TNP 57 dated 16.7.1958 from the Secretary to Government (L.S.G.) to the Deputy Commissioner, North Kanara, Karwar extract of which is enclosed for ready reference.

The Saw-Mill area and the Forest Depot area included in the area proposed for extension and in respect of which draft proclamationhas been submitted to the Deputy Commissioner is also situated quite close to the reverside area and the existing Dandeli Town Area in which there are several structures including residential quarters of the Forest Department staff. The sanitary arrangements in all this area including the Forest Depot area are far from satisfactory. The Sanitary arrangement that is now being made by the Forest Department is out modelled having been designed long back when the population was sparse and is quite in adequate for the present day needs. In view of these considerations it seems that the Divisional Forest Officer, Kanara Northern Division, Dharwar has prpposed the inclusion of the depot and saw

Letter No.MUN/S.R.-VII-27 dated 23.5.1960 from the Deputy Commissioner, Kanara, Karwar to the Conservator of Forests, Belgaum Circle, Belgaum.

.....

Subject:-Dandeli Notified Area.
Release of 1000 acres of Forest lands for the Dandeli Township.

Ref:-Your letter No.24/31/III/17065 dated 5.3.1960 on the subject noted above.

In forwarding herewith a copy of the letter No.51 dated 11.4.1960 from the Special Officer, Dandeli, I have to request you to offer your remarks thereon very early.

A copy of his previous letter No.628 dated 22.1.1960 is also enclosed for information.

.....

Copy of letter No.51 dated 11.4.1960 from the Special Officer, Notified Area, Dandeli, addressed to the Deputy Commissioner, N.Kanara, Karwar.

.....

Subject:-Release of 1000 acres of forest lands for the Dandeli Township.

Ref:-Your endorsement No.0/F 517 dated 26.3.1960.....

In his letter No.24/31/III/17065 of 1959-60 dated 5.3.1960 addressed to the Deputy Commissioner, N.Kanara, Karwar, the Conservator of Forests, Belgaum Circle, Belgaum has requested you to submit to Government through the Divisional Commissioner, Belgaum, draft notification in regard to the extension of the Dandeli Notified Area excluding the areas to be returned for the Government Timber Depot, Dandeli which includes the Forest Buildings and Jai Hind Saw Mill and the Research Garden at Dandeli.

From the papers sent to this office with the above quoted reference it is seen that the Forest Department is willing to release 1000 acres of forest lands in all for the Dandeli Township. It is no where pointed out, what areas would constitute these 1000 acres.

It is presumed that by 1000 acres the Forest Department would mean 680 acres recommended by the Township Committee for development of the Township in 2 stages and the area comprising of the existing Dandeli Town, the river side Area and the Revenue Village of Dandeli (the forest depot, saw mill and Research Garden areas however being excluded). This presumption may kindly be got confirmed from the Conservator of Forests, Belgaum. He may kindly be requested to arrange to furnish a map to scale showing the area of 1000 acres to be released and the location of the Forest Depot, Saw Mill and Research Garden areas and the area occupied by the Depot.

In this connection, I would solicit your kind

P.T.O.

(5) The Civic amenities will be provided to the residents in the Forest Depot area along with other areas according as the funds of the Notified Area permit.

Sd/- * * * * * * * *
Special Officer, Notified
Area, Dandeli.

.....

"C O P Y"

D. Ranjundappa
Conservator of Forests, B.C.

Saw Mill areas in the Notified Area along with the existing Dandeli Town proper (which includes Kumbarkop) and River side areas.

Unless this is done, the notified Area Office can not take up the sanitation and render other ~~an~~ municipal services in the depot and Saw-Mill areas. Any forest area is required to be disforested before it is notified under the provisions of the District Municipal Act as pointed out above.

The existing notified area of 200 acres is taken up for development as per the comprehensive plan already prepared by the Township Committee under the Chairmanship of Shri T.Shammanna I.A.S. The areas now proposed for extension of the notified area and in respect of which draft proclamation has been already submitted comprise the riverside area, the present Dandeli Town area and Forest Depot Area etc. The entire depot area is situated ~~xkxx~~ almost in between the area already notified on one side and the Dandeli town proper on the other. The inclusion of all this area in the existing notified Area, Dandeli is essential for the all round development of the area taken up as per the comprehensive plan.

Exclusion of the areas lying in between would amount to formation of enclaves and it would be administratively inconvenient for the Notified Area (Municipality) to levy Octroi etc. taxes and to render municipal services to the area as a whole.

In view of the willingness given by the D.F.O., N.D., Kanara, Dharwar and for the reasons stated above draft proclamation for extension of the Notified Area was submitted to the Deputy Commissioner under ~~his~~ office No.233 dated 24.8.1959.

The querries raised by the Conservator of Forests, Belgaum in his endorsement to the Deputy Commissioner, Kanara are replied to as follows:-

(1) It would not be necessary for shifting the present timber depot after ~~d~~disforestment and inclusing in the notified Area. The Forest department can continue the timber depot in its present site without any hindrance.

(2) The Forest Department would be required to pay the Octroi to the Notified Area on the timber imported into the notified area on the analogy of the foodgrains purchased by Government and stocked in the Municipal areas.

(3) It would be impracticable and administrately inconvenient to notify only the surrounding areas leaving only the forest Depot area in the middle for the reasons pointed out above.

(4) The amount of taxes that the Forest Department would have to pay to the Notified Area on the residential buildings belonging to the Forest Department will be calculated at the rates to be finally approved by Government on the basis of annual letting values. The Deputy Commissioner, Kanara has submitted proposals to Government in this respect.

Immediate.

Sir,

Sub:- Disforestment of lands in Dandeli and Kumbarkop Villages, Haliyal Taluk.

130/CF Ref:- Your letter No. AFD 60 DST 57 (Supl.) dated 30th July, 1960.

According to the report of the Dandeli Township Committee, the new Dandeli Township area will comprise a total of 680 acres, which has been planned to be developed in two stages, -- the first stage comprising 450 acres. Out of these 450 acres, only 200 acres are cleared in the first instance, disforested and handed over to the Special Officer, Notified Area, Dandeli. The question of releasing further 1,000 acres for Dandeli Township was examined as directed by Government in their No.AFD 60 DST 57 dated 2-9-1958 in consultation with the Divisional Commissioner, Belgaum, Deputy Commissioner, Karwar and the Conservator of Forests, Belgaum Circle, Belgaum. It was reported to Government under this office letters of even number dated 24-10-1958 and dated 24-11-1958 agreeing to the release of this additional area of 1,000 acres as and when required for the Development of Dandeli Township and not all at once. Government agreed with this suggestion and informed the Secretary, Dandeli Township Committee, accordingly in their No.AFD 60 DST 57 dated 25-3-1959. But as directed by Government in their No.AFD 60 DST 57 dated 27-1-1960, the Conservator of Forests, Belgaum Circle, was asked to submit proposals for dis-reservation of 1,000 acres of land excluding the Government Depot area which includes the Forest buildings, Jai Hind Saw Mills and the Research Garden at

Contd..2.

Dandeli. The Divisional Commissioner, Belgaum, has said in his letter No.RB/FOR.S.R. 589 dated 10-6-1960 that an area of 628 acres and 30 guntas would be required to be disforested under Section 27 of the Indian Forest Act for bringing it under the Notified area of Dandeli Town. This area includes Government properties belonging to the Forest Department viz., the Timber Depot including the forest buildings, Jai Hind Saw Mills and the Research Garden. In this connection, I invite your reference to this office letter of even number dated 2-7-1960 suggesting the exclusion of the Depot area from the Dandeli Township. Orders thereon are awaited. A copy of the report of the Conservator of Forests, Belgaum Circle received in this connection is enclosed for perusal.

The Township Committee has clearly detailed the first stage of development in the 450 acres. It will be seen from this planning that residential sites for buildings of the West Coast Paper Mills, Electro Metallurgical Works, Mining Labour and of the General public are provided in 122 acres. This was at a stage when the West Coast Paper Mills had only 200 acres for their colony planning. Subsequently, an additional area of 40 acres has been released to them. There is still their demand for 100 acres more, which is under consideration. It will thus be seen that the Paper Mills have their own planning in addition to what is provided for in the Township Committee report. Incidentally, I find that the Township Committee has not proposed their jurisdiction over the West Coast Paper Mills and Ferro Mangahese Factories. This should not be the case.

The first stage contemplated in the Township Committee Report provides for a population of 25,000

Contd...3.

and even assuming the population to go up to 50,000 in the second stage, the Committee report limits the township to an area of 680 acres. In the circumstances, I feel that there is no need to disforest ~~only~~ any large extent all at once. If the remaining works of the first stage viz. Educational Buildings, Public Buildings, Industrial Estates, etc., are finalised, this Department would take action to clear the ~~additional~~ balance area of 250 acres of the first stage.

Yours faithfully,

(N.S.Kaikini)
CHIEF CONSERVATOR OF FORESTS.

No.IND/GEN-DTS/1411(4)-60-61

Office of the
Conservator of Forests,
Belgaum Circle.

Belgaum, 25th August 1960.

To

The Chief Conservator of Forests
in Mysore, Bangalore.

Sir,

Subject:- Disforestment of lands in Dandeli and Kumbarkop villages, Haliyal Taluka for Dandeli Township.

Reference:- Your No.B3-90-1713/56 dated 11.8.1960.

With reference to letter No.RB/FOR-S.R. 589 dated 10.6.1960 from the Divisional Commissioner, Belgaum I offer my remarks in the matter as under:-

Para 1 of the letter:- No remarks.

Para 2 of the letter:- The Divisional Commissioner has said that an area of 628 acres and 30 gunthas would be required to be disforested under section 27 of the Indian Forest Act for bringing it under the Notified Area of Dandeli Town. This area includes Government properties belonging to the Forest Department viz., the timber Depot including the forest buildings, Jai Hind Saw Mills and the Research Garden.

We have already disforested and handed over an area of 200 acres out of F.S.No.4A of Dandeli and F.S.No.7A of Kumbarkop on 26.6.1959 to the Revenue Department to start with the Dandeli Town Planning. The Dandeli Township Committee in its report submitted to Government has recommended to draw up a plan for the Dandeli Township in two stages releasing in all an area of 680 acres i.e. 450 acres in the first stage and 230 acres in the second stage. This means a further area of 250 acres to make up 450 acres for the first stage and in all 480 acres are required to be released and not 628 acres and 30 gunthas as said by the Divisional Commissioner. As regards the inclusion of the Government timber depot which includes the forest buildings, Jai Hind Sawmills and the Research Garden in the Notified Area, I have already made it clear in my previous reports No.24/31/III/3814 dated 24.2.1960 and even number dated 9.6.1960 that these areas may not be included in the Notified Area, Dandeli.

Para 3 of the letter:- For the inclusion of the timber Depot area which includes the Jai Hind Saw Mills, forest buildings and Research Garden at Dandeli in the Dandeli Notified Area, the Divisional Commissioner has said that the Forest Department had raised more or less similar type of objections as in the year 1925 to exclude the Kodibag timber Depot from the Karwar Municipal limits and the Government had rejected those proposals.

I enclose herewith the G.R.G.D.No.5611 dated 14.10.1925 referred to by the Divisional Commissioner in the matter for your kind perusal and return. From the G.R. it will be seen that the Kodibag timber depot was already there within the Karwar Municipal limits and this Department had objected to the levy of octroi on timber by the

P.T.O.

the Municipality which started in doing so after lapse of many years. In the alternative it was suggested by this Department to exclude the Kodibag Depot area from the octroi limits. Government however held that the Kodibag timber depot was not merely a depot but also a market and the depot benefited very considerably from the proximity of the town and negatived the proposal for the exclusion of the Kodibag Depot from the Municipal limits. In this respect I have to state that it is not the case with the Dandeli timber depot. Here the depot does not benefit at all from the proximity of the town and there are very few hopes in future since majority of the population would be of labourers depending on industries. Practically no timber is purchased in the timber sales for local consumption. Almost all timber imported in the depot is sold and exported, the purchasers being from other places. In the case of Kodibag Depot it was already situated within the Municipal limits, it is not so with the case of Dandeli Depot area. Here, the Municipality is not yet formed and its limits decided. Almost entire area at Dandeli is the forest area and if this Department is required to pay octroi etc., in addition to the release of its land in favour of the Municipality, it will not only a heavy burden to the Department but also very unjust to ask the Department to pay a huge amount by way of octroi etc. Hence the depot area may not be released for inclusion in the Dandeli Notified Area.

Para 4 of the letter:- No remarks.

Yours faithfully,

D. Nanjundappa 29/8

N O T E.

ITEM No:1.

Disforestment of Forest Area including Timber Depot and area covered by Industries.

The Township Committee Dandeli has proposed to extend their jurisdiction over certain Forest areas in Dandeli. The Chief Conservator of Forests has agreed to the disforestment of the areas, but excluding the areas of Saw Mills and Timber Depots etc., The Chief Conservator of Forests has been asked to forward a sketch of the forest areas proposed to be released for the Dandeli Township indicating therein the belongings of the Forest Department over which the Township will not have its jurisdiction. A reply is awaited from Chief Conservator of Forests, who has been reminded for the same on 19-1-61.

ITEM No.2.

TRANSFER OF LAND TO THE TOWN AREA FOR PUBLIC PHRPOSE FOR DEVELOPMENT & DISPOSAL OF PLOTS.

This issue will be considered on receipt of Chief Conservator of Forests's proposal and the sketch of the area mentioned above.

ITEM No.9.

Request of Paper Mills for additional Bamboo areas.

This question is under examination of Agriculture and Forest Department. Government decision, when reached, will be communicated in due course of time.

Memo No.AFD 60 DST 57. Dated, Bangalore, 11 Feb.1961.

Forwarded to Shri B.Channabasappa, Under Secretary to Government, P.H.Labour and Municipal Admn.Department with ref. to his letter No.PLM 523(MLB) 61, dt.9-2-1961.

Incidentally it may be pointed out that another meeting regarding Plan Schemes is scheduled to be held on 14-2-61 in the Chambers of the Chief Minister at about 11 A.M. and the same is likely to last for 4 to 5 hours. The Deputy Secretary Agriculture & Forest Department and the Chief Conservator of Forests will attend this meeting. L.S.G. & P.H.D. may please see if their meeting regarding Township Dandeli may be postponed to some other date.

(N. Choodappa)
Under Secretary to Government,
Agriculture & Forest Department.

NDELI CONFERENCE

Subject No.1: Sub: Dandeli Town Area - Disforestment of forest area, including Timber Depot and area covered by industries.

In accordance with paragraph 9(1) of the Dandeli Township Committee's report the Municipal Board at Dandeli should have jurisdiction over the area occupied by the 3 industries, the forest depot, the new township area and the revenue lands contained in the 3 villages, viz., Dandeli, Kerwad and Kumbarkop.

An area of 200 acres has already been disforested and has been declared as Notified area by name of Dandeli Town Area, vide Government Notification No.LLH 4 TEL 59, dated 27-2-1959, Proposals with draft proclamations have been sent to Government (under the Divisional Commissioner's No.GB/MUN-KA-220, dated 26-12-1959 and No.GB/MUN/13/60-61 dated 17-12-60 for inclusion of additional areas of 416 acres-4 gunthas and 250 acres within the limits of the Dandeli Town Area. The proposals are held up because changes in the Municipal boundaries are not to be made till 1961 census is over and also because provisions of Chapter II (under which proclamations and notifications about extension of limits are to be issued of the Bombay District Municipal Act have not yet been applied Draft of the final notification to be issued about applying of provisions of Chapter II has been sent to Government under the Divisional Commissioner's letter No.GB/MUN-12/60-61 dated 7-2-1961.

The question of extension of limits is also linked up with disforestment of forest areas included in the two pro already sent to Government. As regards the proposals about disforestment of 250 acres the Deputy Commissioner has been asked to send a draft notification about disforestment. Th Conservator of Forests, Belgaum Circle explained at the meeting held at Dandeli on 5-2-1961 that it would take about 2 years to clear the land. Since the land is urgently required the Divisional Forest Officer has been asked to tak urgent steps to clear this area as early as possible.

As regards disforestment in respect of the forest area of 378 acres 30 gunthas out of the area of 415 acres - 4 gunthas proposed for inclusion within the Dandeli Town Area the Forest Department authorities suggest that the timber depot situated within that area should be excluded. If the proposal is accepted there will be an enclave which would give scope for evasion of octroi. Their proposal about

.....2

87

exemption of timber from octroi will also be not acceptable because the Dandeli Town Area having small sources of income cannot afford to lose income from this source. In a similar case the Bombay Government rejected the plea of Forest Department to exclude Kodibag forest Depot from Karwar Municipality. A detailed report in this respect has been sent to Government by the Divisional Commissioner, Belgaum under No.RB/FOR-SR-589, dated 10-6-1960. Government in Local Self Government and Public Health Department, have informed the Divisional Commissioner under No.LLH 9081 (ML.B)-60, dated 30-11-1960 that the question is under consideration of Government in Agriculture and Forests Department. It is necessary to finalise this matter immediately. The draft notification about disforestment of 378 acres and 30 gunthas is being sent to Government in Agriculture and Forests Department.

The Special Officer, Dandeli Town Area has been informed at the time of meeting held on 5-2-1961 to send proposals with draft notification etc. about disforestment and with draft proclamation about inclusion of the areas covered by the industries etc., within the limits of the Dandeli Town Area. In this connection the Conservator of Forests pointed out that the Forest Department had entered into a lease agreement with the 3 industries for leasing out the lands to them on 30 years' lease at the rate of Rs.80 per acre per annum. The Forest Department is a commercial organisation and if this area were to be removed from the Forest Department it will have to be ensured that the Forest Department does not suffer. The income from the lease should be credited to the Forest revenue and if and when the land is to be disposed of the amount realised from the sale of the land may also be credited to Forest Department. Normally when the land is released it reverts to the Revenue Department and therefore special arrangement may have to be made in this regard for crediting the revenue to the Forest Department.

Sd/-
for Divisional Commissioner,
Belgaum.

DAK ENT SECTION:

SUBJECT No: 9

Subject:- Assuring supply of raw materials for the West Coast Paper Mills. Reservation of additional Bamboo area.

The West Coast Paper Mills have represented that they have obtained license to manufacture Rayon pulps and that as the bamboos in the Forest Areas already reserved for the Mills have started flowering, the yield therefrom is hardly sufficient to meet their normal requirements. They have therefore requested for allocation of additional area etc. for the purpose of ensuring adequate raw materials for their mills.

This point was discussed in the meeting held at Dandeli on 5-2-1961. The Divisional Conservator of Forests said that it may be possible to supply bamboo from Supa, Nagargal and Ramnagudi Forests where also flowering is likely to take place, and that if the Mill authorities are anxious to exploit such areas, they may contact the D.F.O. or Conservator of Forests. It was also ascertained that at no time a commitment was made by Government for supply of bamboo exceeding 45000 tons per year, and that the Mills themselves had undertaken to use alternative materials for their excess requirements. The Conservator of Forests also suggested that it may be possible for the forest authorities to lease out blank areas upto 5000 acres, if the Mill authorities were interested in planting eucalyptus, and that they may, if necessary, approach the Forest authorities.

Since the Mill authorities have made their representation in this respect to the Minister for Agriculture and Forest Department, this matter may be discussed. The Divisional Commissioner proposes to inform the Mill Authorities that for early consideration in future they should address Divisional Conservator of Forests, Belgaum.

(1) Disafforestment of Forest Area, including Timber Depot and area covered by Industries:

It was decided that an additional area of 250 acres required should be disafforested immediately. The Chief Conservator of Forests assured that 100 acres would be

.....2

clearfelled by March 1962 and the rest by June 1962.

It was also decided that all the areas covered by industries as well as the Forest Depot should be brought within the Notified Area. As regards levy of octroi on timber, the Secretary, Agriculture and Forest Department stated that no octroi may be levied on timber in the event of the Depot being included in the Notified Area. It was, however, felt not desirable that the Forest Department should be made to pay octroi and the question whether only the timbers relating to Forest Department could be exempted may be examined in consultation with the Law Department.

(2) Transfer of land to the Town Area for public purposes and for development and disposal of plots:

It was decided that the Divisional Commissioner, Belgaum Division, may attend to this matter, expeditiously.

(3) Water Supply Scheme:

The Divisional Commissioner reported that the position had become very distressing regarding water supply and pleaded for immediate attention. The probable cost of the scheme was expected to be 12 to 15 lakhs.

As regards the water supply work, he was of the opinion that the Municipality had not got the necessary staff to undertake and execute the work as they had no staff. He suggested that the Public Works Department should take up the work and execute it.

The Secretary, Public Health, Labour and Municipal Administration Department, agreed with him and suggested that the Public Works Department may take up this work as a Government scheme and execute it, and that after completion of the work, they may sell the water to the Notified Area under no profit and no loss basis.

The Deputy Secretary, Finance Department, opined that unless the scheme was included in the Plan, the work could

.....3

not be taken up and that even for giving loans, the scheme should be included in the Plan.

Decision:

It was agreed that it may be included in the Plan and necessary further action taken to take it up as a Government Scheme.

Subject No.4.

Low Income Group Housing Scheme - Financial Assistance for the -

Since this proposal has been sanctioned in G.O. No. LLH 253 TDS 60 dated 31-1-1961, no discussion took place on the subject.

Subject No.5.

Grant of an additional loan of Rs.2 lakhs.

It was decided to sanction a loan of Rs.2 lakhs. The Finance Department agreed to give this loan by the middle of April 1961.

Subject No.6.

Postponement of levy of taxes and fees till the whole area is notified.

It was decided that until all the Industries are included in the Notified Area, the levy of taxes be postponed.

Subject No. 7.

Organisation of Industrial Estate of Small Scale Industries.

It was decided that the Managing Director, Small Industrial Corporation and the Joint Director of Small Scale Industries, should finalise the matter in consultation with the Secretary, Public Health, Labour and Municipal Administration about the 5 acres of land to be given for Industrial Estate within the present Notified Area.

.....4

Subject No. 8.

Pollution of Kali River Water

It was reported by the Director of Public Health that two series of tests were conducted on Kali River Water. It was found that the water was highly alkaline and contained also acid., and that the fish could not live under such contamination. This was due to water contamination.

The Divisional Commissioner explained that he wrote a registered letter to the Mills regarding the contamination of water by the Paper Mills. They wrote back saying that they had constructed a sediment tank, etc., and that the Divisional Commissioner was misinformed. He said that no action was taken by the Deputy Commissioner and the Director of Public Health in the matter of enforcing the rules and taking legal action against the Mills for their continued contamination of Kali River Water. He emphasised the need for taking legal action. The Deputy Commissioner was requested to take immediate action in the matter. The Deputy Commissioner said that no efforts were made by the Factory to prevent this contamination and they did not request the Deputy Commissioner in respect of providing a land to them for the construction of a Sediment Tank.

The Director of Public Health reported that the Factory people did not carry out the directions issued by the Public Health Department.

DECISION.

It was decided that the Director of Public Health might examine the matter regarding contamination of Kali River water and send a report after taking samples as to whether it is injurious to health and the steps to be taken by the Factory to prevent contamination to the Deputy Commissioner, North Kanara, within a week, and that the Deputy Commissioner might take necessary action in the matter in accordance with the powers vested in him under the agreement.

NO 3136
APR 1961
FOREST BRANCH

The sketch received from the Conservator of Forests, Belgaum Circle, Belgaum indicating the area belonging to the Forest Department over which the township will not have its jurisdiction is enclosed as desired. Out of 450 acres of land proposed to be developed in the first stage of Dandeli Town, 200 acres have already been disforested. The Deputy Commissioner, North Kanara, has requested the disforestment of the remaining 250 acres. A copy of letter No.LND/GEN/DTS-1411(4)/60-61 dated 9-2-1961 from the Conservator of Forests, Belgaum Circle received in this connection is enclosed for perusal. The Conservator of Forests, Belgaum Circle, has instructed the Divisional Forest Officer, Northern Division Kanara to take steps to clear this area by the end of June 1963 and has also given his concurrence to submit proposals for disforesting this area. However, as discussed in the meeting held in the Chambers of the Minister for Law, Labour and Local Self Government on 14-2-1961, the Conservator of Forests is being instructed to clear the area of 100 acres out of 250 acres by March 1962 and the remaining area by June 1962.

Yours faithfully,

D. S. [illegible]

Chief Conservator of Forests.

Office of the
Conservator of Forests,
Belgaum Circle.

Belgaum: 9 February, 1961.

To

The Chief Conservator of Forests,
in Mysore, Bangalore.

Sir,

Subject: Disforestment of additional area of 250 acres for the Dandeli Township.

Reference: Your No.B3-90-1713/56 dated 12-9-1960.

The Divisional Forest Officer, Kanara N.D. reported to this office that the Deputy Commissioner, N.Kanara, Karwar had called for his concurrence to the disforestment of the remaining area of 250 acres out of F.S.No.4 A of Dandeli for the 1st stage development of the Dandeli Township as it was reported that the work of clearance of the area of 200 acres was in progress and the lay out of roads, plots etc. would be completed shortly. It was also reported by the Divisional Forest Officer that the Deputy Commissioner, N. Kanara in the coordination meeting held on 7-12-60 at Karwar held the view that the town planning work in the area of 200 acres at Dandeli has been completed and unless the remaining area of 250 acres is handed over to them immediately, their further programme of planning is crippled, and the Forest Department should have no objection to this when 450 acres are provided for in the 1st stage only.

2. This point was further discussed by me personally with the Divisional Forest Officer, Kanara N.D. at Dandeli and later in the meeting convened by the Divisional Commissioner, Belgaum at Dandeli on 5-2-1961. In view of the difficulties put forth by the Revenue Department and that at least a two year period is required for this Department to clear and hand over the area to the Township authorities, I have instructed to the Divisional Forest Officer, Kanara N.D. to take immediate steps to clear the area of 250 acres by the end of June 1963 latest with a view to facilitating smooth development of the township. I have also given concurrence to the disforestment proposals to be submitted by the Deputy Commissioner under Section 27 of I.F.A. 1927 in respect of this area. This area of 250 acres does not include the Forest Depot site, this departmental buildings, Jai Hind Saw Mill, etc. The action taken by me may therefore kindly be ratified.

Yours faithfully,

D. Nanjundappa

Enclosure

Chief Conservator's Office,
Bangalore, dated 24-4-1961.

To

The Secretary to Government,
Agriculture and Forest Department,
Bangalore.

Sir,

Sub:-Dandeli Township area - extension of limits of the

--

It was decided in the meeting held on 14-2-1961 in the Chambers of the Minister for Law, Labour and Local Self Government that all the areas covered by the industries as well as the Forest Depot should be brought within the notified area (vide copy of the proceedings of meeting received under Government reference No.PLM 523 (MLB)61 dated 22-2-1961). The Deputy Commissioner, North Kanara, Karwar has now sent proposals for disforestment of lands comprising of Forest Depot area including Jai Hind Saw Mill, Government buildings belonging to the Forest Department and the area occupied by the three industries viz., West Coast Paper Mills, the Electro Metallurgical Works Co (P) Ltd and the Indian Plywood Manufacturing Co. (P) Ltd. In this connection a copy of letter No.IND/GEN/DTS-1411(4) 60-61 dated 18-2-1961 from the Conservator of Forests, Belgaum Circle is enclosed for perusal.

The question was discussed by me with the Minister for Forests recently and he was of the opinion that the Forest Depot area including the Forest buildings, Jai Hind Saw Mills and the Research Garden should not be disforested. As regards the disforestment of the areas occupied by the three industries, it is pointed out that these areas are granted on lease basis by this Department which forms a part of the agreement. Hence whether these areas can be disforested now may be examined in consultation with the Law Department.

Orders of Government may be issued early for taking further action in the matter.

Yours faithfully,

AS/21/4(4)

Chief Conservator of Forests.

No.IND/GEN-DTS-1411(4)/60-61. Office of the
Conservator of Forests,
Belgaum Circle.

Belgaum, /6 March 1961.

To

The Chief Conservator of Forests
in Mysore, Bangalore.

Sir,

Subject:-Dandeli Township Area - Extension of limits of the -

Ref:- Government letter No.PLM 523(MLE)61 dated 22-2-1961 from the Secretary to Government of Mysore, P.H. Labour and Municipal Administration Department, Bangalore addressed to you, this office, etc.

In para 1 of the proceedings of the meeting held on 14-2-1961 at Bangalore it is said that all the areas covered by the Industries as well as the Forest Depot should be brought within the Notified Area. Further it is said that as regards levy of octroi on timber, it was felt not desirable that the Forest Department should be made to pay octroi and the question whether only the timbers relating to Forest Department could be exempted may be examined in consultation with the Law Department.

2. The Deputy Commissioner, North Kanara, Karwar has now under his No.LND-II-SR-X-271 dated 10-3-1961 sent proposals for disforestment of lands comprising of (a) Forest Depot area including Jai Hind Saw Mill, Government Buildings belonging to Forest Department, etc., and the River side area (b) Areas occupied by the three Industries viz.(i) West Coast Paper Mills Ltd. (ii) The Electro Metallurgical Works (P) Ltd. and (iii) The Indian Plywood Manufacturing Co.(P) Ltd. and requested me to give my concurrence to the disforestment of the said areas under Section 27 of the Indian Forest Act.

3. Since as no Government orders in the A.&.F.D. are yet received in the matter, I may kindly be informed very early whether concurrence to the above said proposals may be given.

Yours faithfully,

D. Manjundappa

Urgent Please.

No.GB/FORSR-589,
Belgaum,Dated, 11th May 1961.

MYSORE GOVERNMENT SECRETARIAT
NO.4513
18 MAY 1961
FOREST BRANCH

To

The Secretary to Government,
Agriculture and Forest Department,
Bangalore.

Sir,

Reference Government letter No.AFD-60-DST-57, dated 21-4-1961.

2. Copies of this office letter of even No.dated 7-2-1961 and of the draft notification under Section 27(1) of the Indian Forest Act are sent herewith as desired.

3. Regarding disafforestment of 250 acres the Conservator of Forests, Belgaum Circle,has informed the Deputy Commissioner, North Kanara,Karwar in his endorsement No.IND/GEN-DTS-1411(4)/60-61, dated 20-4-1961 (copy enclosed) that the particulars of the area in the sketch and the draft notification received from the Deputy Commissioner were not correctly shown etc. The Deputy Commissioner is being asked to take necessary action immediately and to send revised draft notification through the Conservator of Forests very early. The draft notification in this respect will be submitted to Government soon after it is received from the Conservator of Forests. The Timber Depot, Saw Mill, Research Garden etc are not located in this area of 250 acres.

4. The Timber Depot, Saw Mill, Research Garden etc.,are located in the area of 378-30, draft notification for disafforestment of which has been sent under this office letter of even No.dated 7-2-1961 (copies of the

A---G

208

letter and the draft notification enclosed now). It was decided in the meeting (at which you were present) held on 14-2-1961 under the Chairmanship of the Minister for Law, Labour and Local Self Government that the Forest Depot should be brought within the Notified Area and that the question whether the timber relating to the Forest Department could be exempted should be examined in consultation with the Law Department. The Special Officer, Dandeli Town Area reports in his letter No.249 dated 29-4-1961 (copy enclosed) that the Law Department has given its opinion in the matter. The Chief Conservator of Forests, however, states in his letter No.B3-90-1713/56, dated 24-4-1961 addressed to you that he discussed this matter with the Minister for Forests recently and the Minister was of the opinion that the Forest Depot area including the Forest buildings, Jai Hind Saw Mill and the Research Garden should not be disforested. I invite in this connection a reference to this office letter of even No.dated 10-6-1960 addressed to Government in Local Self Govt. and Public Health Department and copy endorsed to you. For the reasons reported therein and as decided in the meeting held on 14-2-1961 the area of A--G 378-30 including Timber Depot etc may be disafforested and the notification under Section 27(1) of the Indian Forest Act may be issued at an early date. Administratively the exclusion of such areas would create ~~local~~ great handicaps in securing sanitation, collection of octroi and Taxes etc. It is better to exclude this from the Municipal Taxes etc for some time and such contribution to be made to the Municipality towards ~~octroi~~ health and sanitation charges to be fixed by Government.

4. As regards disafforestment of forest areas

167
209

occupied by the three industries the Chief Conservator of Forests has suggested, in his letter No.B3-90-1713/56 dated 24-4-1961 addressed to you, to examine in consultation with the Law Department whether these areas (which have been granted on lease basis by the Forest Department) can be disafforested now. In this connection the observations made with reference to this point in item 2 of the minutes (extract of item 2 is enclosed) of the meeting held at Dandeli on 5-2-1961 may be seen. If it is considered necessary to consult the Law Department it may please be done immediately and the Chief Conservator of Forests may be asked to inform the Conservator of Forests Belgaum Circle, to forward with his concurrence the Deputy Commissioner's proposals about disforestment of the areas in question.

6. As the development of the Dandeli Township cannot progress unless the question of disafforestment of these areas is settled, I request you to please see that necessary action in the matter is taken expeditiously.

Yours faithfully,

(B.G.Kaujalgi)

Below correspondence resting with Divisional Forest Officer, Kanara Northern Division, ~~Karwar~~ Dharwar's No.FOP/GFL/307/60-61, dated 3/10-4-1961. 219

-*-

Subject :- Disforestment of an additional area of 250 acres for the first stage development of the Dandeli Township.

No. IND/GEN-DTS/1411(4)/60-61,
Belgaum 20-4-1961.

Transmitted to the Deputy Commissioner, North Kanara Karwar with reference to his No.IND-II-SR-X-229 of 24-2-1961.

2. From the Divisional Forest Officer's report it is seen that the particulars of the area of 250 acres shown in the sketch and the draft notification received with the Deputy Commissioner's above number are not correctly shown. The papers may therefore please be sent to the Forest Settlement Officer, Kanara for preparing a correct sketch and draft notification of the additional area of 250 acres proposed to be disforested.

3. The papers are returned herewith.

Sd/- D.Nanjundappa,
Conservator of Forests, B.C.

Copy along with a copy of the D.F.K.K.N.D's above No. transmitted to the Divisional Commissioner, Belgaum, in continuation of this office even number dated 12-4-61 for information.

No. 249
Office of the Special Officer,
Notified Area, Dandeli,
Dandeli, 29-4-1961.

To

The Divisional Commissioner,
Belgaum Division, Belgaum.

Sir,

Ref: Conservator of Forests, Belgaum circle's No. IND/GEN/DTS-1411(4)/60-61, dated 15-3-1961 addressed to the Chief Conservator of Forests in Mysore and copy endorsed to your office.

It is ascertained that the Law Department has given its opinion on the question of exemption of octroi on Forest produce etc., I, therefore, request you to kindly address the Secretary to Government Agriculture and Forests Department, Bangalore by a DO letter requesting him to issue the necessary notification for disforestation of the areas covered by the Three Industries and the Forest Depot area etc., immediately, so that taxation may commence for the half year beginning from 1-10-1961.

I beg to bring to your kind notice that delay in disforestation and incclusion of the areas of 1) All the Industries and 2) the river side area including the Forest Depot Area would result in loss of revenue to this local body, as well as in the postponment of other developmental activities.

Yours faithfully,

Sd/- B.S. Mathad,
Special Officer, Notified
Area, Dandeli.

Copy

Head Clerk to the
Divisional Commissioner,
Belgaum.
Rcvd 11/5/61

216. 173

Extract of item 2 of the Minutes of the meeting held at Dandeli on 5-2-1961 regarding development of Dandeli Township.

-*-

2. Transfer of Additional Area to the Town Board for Public purpose for development and disposal of plots for brick manufacture and stone quarries.

With regard to areas required for stone-~~ary~~ quarrying and brick-making, it was found that there should be no difficulty provided an application was made for permit to the Forest Department in time. The D.F.O. pointed out that the delay is due to the fact that the applicants do not send the challans for having deposited Rs.5/- which is essential for ~~el~~ permission to quarrying under the Minor Mineral Rules

(Action Special officer-To advise applicants).

In accordance with paragraph 9(1) of the Dandeli Township Committee report the Municipal Board should have jurisdiction over the area occupied by the 3 industries, the forest depot, the new township area and the revenue lands contained in the 3 villages, viz Dandeli, Kerwad and Kumbarkop. It will, therefore, be ~~x~~ necessary to submit proposals for disafforestation of this area and for notifying the area within the limits of the Notified Area Committee. In this connection the Conservator of Forests pointed out that the Forest Department had entered into a lease agreement with the 3 industries for leasing out the lands to them on 30 years' lease at the rate of Rs.80/- per acre per annum. The Forest Department is a Commercial Organisation and if this area were to be removed from the Forest Department it should be ensured that the Forest Department does not suffer. The income from the lease should be credited to the Forest revenue and if and when the land is to be disposed of, the amount realised from the sale of the land may also be credited to Forest Department. Normally when the land is released it reverts to the Revenue Department and therefore a special arrangement may have to be done in this regard to credit the revenues to the Forests Department as suggested by the Conservator. This ~~ma~~matter may be discussed and decided at the meeting to be held at Bangalore on the 14th of this month. In the meantime the Special Officer may prepare draft notifications for the disafforestment of the area and the notified area within the township. The Notified Area has been incurring expenditure for over 2 years but has no income so far. This position cannot continue if the Municipality is to continue and therefore the sooner a decision is taken on this matter the better.

With regard to inclusion of timber depot the Conservator of Forests has already addressed Government the reasons why it should be excluded. However, the Forest Department feel that it should not be included since they are likely to be charged octroi which might amount to as much as Re.1 lakh per year. If the payment of octroi is to be exempted on timber, then the Forest Department has no objection for inclusion of the Depot area in the Township.

(Action: Divisional Commissioner to address Secretary, P.H.L. and Mun-Admn. Dept. Special officer to prepare drafts).

Sir,

Sub:- Disforestment of lands in Dandeli and Kumbarkop villages in Haliyal Taluka, North Kanara District.

Ref:- Your letter No.AFD 24 FAF 61 dated 28-3-61.

....

The area of 378 acres and 30 guntas proposed to be disforested by the Deputy Commissioner, North Kanara, includes the area occupied by the Government Timber Depot, Jai Hind Saw Mills, buildings belonging to the Forest Department and plantations. In this connection, I invite your reference to this office letter of even number dated 24-4-1961. Orders of Government as to whether these areas should be disforested or otherwise are still awaited. In the circumstances the question of disforestment of the area proposed by the Deputy Commissioner, may be taken up after the issue of Government orders in the matter.

No.C/F-517. Office of the Dy.Commissioner,
North Kanara,
Karwar, 30-11-1959. 176

To

The Divisional Commissioner,
Belgaum.

Sir,

Subject: Disforestment of lands in Dandeli and Kumbarkop villages in Haliyal Taluka ..North Kanara District.

Reference: Your letters No.GB/MUN-KA-220 of 9-3-1959 and 3-11-1959.

Five Two copies of the draft Notification along with 2 maps regarding disforestment of an area of 378-30-0 in Dandeli and Kumbarkop Villages as per particulars given in the Notification are submitted herewith.

A copy of the letter No.G/11/4836 dated 7-8-1959 from the Divisional Forest Officer,Kanara Division Dharwar regarding the willingness of the Forest Department for the disforestment of the above area is also submitted in duplicate.

The above proposal together with the draft Notification may kindly be submitted to the Government in the Agricultural and Forests Department Bangalore, for taking necessary further action in the matter.

Since the Notifications regarding extension of limits of Notified Area is required to be published before the end of the current calander year as per directions contained in Government Letter No.LLH 64 CAD 59 dated 6-11-1959 from the L.S.G. & P.H.D.,early action is solicited in the matter.

A copy of this reference together with the

(P.T.O.)

map is being soparatoly sent to the Conservator of Forests, Belgaum. 220

Urgent Please.

Subject:-- Disforestment of lands in Dandeli and Kumbarkop villages in Haliyal Taluka, North Kanara District.

No. GB/F.O.R.S.R.589.
Belgaum, 7.2.1961.

To

The Secretary to Government,
Agriculture and Forest Department,
Bangalore.

Sir,

Reference this office letter No.RB/FOR.S.R. 589, dt. 10.6.60 addressed to the Secretary to Government, Local Self Govt. and Public Health Department, and copy endorsed to you. This office was informed under Government letter, LSG & PHD No.LIH-9081(MLB)60 dt. 30.11.60 that the proposal made in this office letter of 10.6.60 was under consideration of Government in the Agriculture and Forest Department. The matter may please be expedited and the draft notification received with the Deputy Commissioner, North Kanara's letter No.0/F-517, dt. 20.11.59 (enclosed with accompaniments) may be issued very early. Unless this is done the question of extension of the limits of the Dandeli Town Area(which is an urgent necessity) cannot be finalised.

2. The Deputy Commissioner, North Kanara's proposals about disforestment of 250 acres lying on the northern side(which area is also proposed for inclusion within the limits of the Dandeli Town Area) are still awaited. He is being asked to send them immediately.

Yours faithfully,

O.C.signed by
Commissioner.

****

Subject:- Dandeli Notified Area
Extension of limit of -----

Ref:- Your Nos 141 of 25-7-1959 and 174 of 31-7-59.

It has already been recommended to the ~~Deputy~~ Deputy Commissioner Kanara Karwar under this office No. G/11/533 of 10-6-1959 through the Conservator of Forests, Belgaum Circle ,Belgaum to disforest the following F.S.Nos in the first instance for the development of the Dandeli Town :-

Name of the Village.	S.Nos.	Area.
Kumbarkop.	1(pt)	7-8-0
	1(pt)	9-5-0
	2(pt)	6-16-0
	2(pt)	6-32-0
	3	15-23-0
	4	8-9-0
	5	15-8-0
	7(pt)	4-32-0
	7(pt)	180-4-0
	8	1-13-0
	Village site	4-1-0
Dandeli.	4(pt)	80-0-0
	4(pt)	44-0-0
		358-31-0

For the first stage of development, the disforestment of the above S.No.s including the occupied S.Nos. 1,2,3 and Gaonthana of Dandeli measuring 7-10-0 would be sufficient.

However if you think that the additional are as mentioned in your above quoted No are considered necessary they may be proposed for discussion with the Chairman of the Dandeli Town Development in the next meeting.

AGREEMENT FOR THE PULP AND PAPER FACTORY IN KANARA DISTRICT.

AN AGREEMENT made August the 10th day of One thousand nine hundred and fifty five between THE GOVERNOR OF BOMBAY exercising the executive power of the Government of the State of Bombay hereinafter called " the Government" (which expression shall unless the context does not so admit include his successors in office and assigns) of the first part SHRI A.D.CHAUDHARI and SHRI M.G.KOTIBHASKAR both of Bombay Indian Inhabitants hereinafter collectively called "The Confirming Parties" (which expression shall unless the context does not so admit include their heirs executors and administrators) of the second part and THE WEST COAST PAPER MILLS LTD., a Company incorporated under the Indian Companies Act,1913, and having its Registered Office at Shreenivas House, Waudby Road, Bombay-1, hereinafter called " the Company" (which expression shall unless the context does not so admit include its successor or successors in business) of the third part.

WHEREAS being desirous of starting a Factory at Dandeli, Kanara District, for the manufacture of pulp and paper,the confirming parties had applied to the Government for the grant of a concession for a period of theirty years for the extraction of bamboos in the areas mentioned hereinafter for the manufacturing of pulp and paper at the said factory which the Government agreed to do upon certain terms and conditions.

AND WHEREAS during the stage of negotiations of the said terms and conditions the confirming parties requested that the said concessions may be granted to the Company which the Government agreed to do.

AND WHEREAS before signing this agreement the Company has Deposited with the Divisional Forest Officer, Kanara Northern Division(hereinafter called " Divisional Forest Officer") a sum of Rs.10,000/- (Rs. ten thousand) as security for the due compliance with and the performance by the Company of all the terms and conditions in this agreement as far as they are to be

by order in writing make on account of any injury caused to any forest produce belonging to Government within the area under working by illicit cuttings, by fire or by cattle grazing if such cutting or fire is traceable to any act or omission of the Company, its servants or agents, or if such cattle belong to or have been allowed to graze by the Company, its servants or agents;

(d)The Company shall pay all such expenses as the Divisional Forest Officer may determine to be necessary for, or to have been incurred in the execution of any work or thing to be done, which by the conditions hereinbefore contained it has bound itself to perform or do any which on requisition made by the Divisional Forest Officer it has failed or omited within the time specified in such requisition to perform or do.

17. Bamboo pulp removed from the factory and bamboos removed from the depot otherwise than in accordance with the conditions hereinbefore contained shall be liable to seizure by any forest or Police Officer and when so seized, shall be forfeited to Government.

18. (a)Bamboos remaining in the Depot aforesaid or anywhere within the limits of the forest, after the expiry of termination of this agreement shall be property of Government and may be removed from the said forest by the Divisional Forest Officer;

(b)The Company shall be liable to Government for the amount of all damage which at any time previous to the date of expiry or termination of this agreement or such earlier date as the DivisionalForest Officer, may, by order in writing, fix in this behalf, may be caused to any forest produce belonging to Govt.within the area under exploitation by illicit cuttings, by fire or by cattle grazing, if such cutting or fire is traceable to any act of omission of the Company, its servants or agents, and if such cattle belong to or have been allowed to graze by the Company its servants or agents. Failure to pay the said amount of damage as assessed by the Divisional Forest Officer shall make the Company liable to pay to Government a penalty of an amount up to Rs.1,000/-and the amount of damage

page-12-

234

along with such penalty shall be recoverable from the Company under section 85 of the said Act as if it were an arrear of land revenue.

(c)The Company shall pay all such expenses as the Divisional Forest Officer may determine to be necessary for, or to have been incurred in the execution of any work or thing to be done, which by the conditions hereinbefore contained it has bound itself to perform or do and which on requisition made by the Divisional Forest Officer it has failed or omitted within the time specified in such requisition to perform or do. Failure to pay the said expenses on demand by the Divisional Forest Officer shall make the Company liable to pay to the Government a penalty of an amount upto Rs.1,000/-and the amount of such expenses along with such penalty shall be recoverable from the Company under Section 85 of the said Act as ~~if~~ if it were an arrear of land revenue.

19. If, in the opinion of the Divisional Forest Officer, the Company or any of its servants or agents has or have broken, evaded or failed to fulfil any of the conditions hereinbefore contained or infringed any provision of the forest law or rules for the time being in force, it shall be lawful for the said Divisional Forest Officer by a notice in writing to be served upon the Company to appropriate the Company's deposit or any part thereof (whether it may be in the form of Government promissory notes or postal cash certificates or currency notes or cash) or out of any other money of the Company in the possession of any Forest Officer or recover from the Company the amounts due and payable by the Company to the Government whether by way of penalty, damages or otherwise.

Provided always that nothing in this clause shall affect the the liability of the Company, or any of its servants or agents to criminal prosecution for any offence committed by it or them against the laws or rules for the time being in force.

20. AND IN CONSIDERATION OF THE PREMISES the Government doth hereby agree with the Company that if it shall well and duly perform the contract it shall enjoy for and within the

adjustment at the end of each financial year.

(b)Before commencing felling operations in the exploitation area of the year send a representative with the Divisional Forest Officer to inspect the boundaries of the area as demarcated on the ground by the special or other marks and shall give such officer a written certificate that it is satisfied with such marks and further shall sign the plan of the area under exploitation in acknowledgement that it delineates correctly the exploitation area as demarcated upon the ground.

(c)Submit from time to time to the Divisional Forest Officer the name, age and address of every person whom it may propose to employ in superintending its operation of the bamboos in the forest area and shall supply such person with a certificate of appointment which shall be countersigned by the Divisional Forest Officer but it shall not employ nor continue to employ any such person to whom the Divisional Forest Officer may object.

(d)When called upon to do so by any authorised Forest Officer take charge of and keep safely the book called "the Contractor's book", which it shall produce immediately on demand by such Forest Officer and shall return the same to such Forest Officer on expiry of the operations in the Forest each year. Any notice written by the authorised Forest Officer in this book shall be considered as a notice issued in confirmity with this agreement.

(e)Not allow any bamboo to fall on roads. If during felling operations any bamboo falls on a road side it shall remove such bamboo immediately soo as not to cause obstruction on the road in any way.

(f)Take precautions, not to damage or obstruct the telegraph wire or posts during the currency of the contract.

Non-compliance with any of the aforesaid conditions in this agreement in respect of each and every particular tree & stool shall be deemed to be a distinct and separate breach for the purpose of the penalty clause.

15. The Company, its servants and agents shall abstain from the following acts, that is to say-

236

(a)from sub-letting this contract or any portion thereof to any person whatsoever without the previous permission in writing of Government.

(b)from continuing any operations in the concession area after expiry of termination of agreement;

(c)from removing any bamboo from the depot fixed for pointed out by the Divisional Forest Officer,(i)otherwise than under cover of a pass in accordance with the Bombay Forest Rules in force under section 41 of the said Act, issued by some person duly authorised under the said rules to sign and issue such pass, and with all the (information required by the said rules duly entered therein) or (ii) by any route or routes other than that or these approved by the Divisional Forest Officer. This condition does not apply to articles which it is permitted to manufacture under the terms of this agreement in transit from the factory area to the nearest Railway Station or sea port.

(d)from cutting or removing any tree from the factory site or the said depot without payment.

(e)from stacking or keeping any material at any place within the limits of the Forests other than the authorised depots for more than a week.

16. The Company agrees to perform the following conditions, that is to say:-

(a)The Company shall defray all expenses which may be incurred in felling, converting and removing the bamboos to which this contract applies, including any compensation payable under the Workmen's Compensation Act, 1923(VIII of 1923),to workmen employed by it;

(b)In the event of the whole or any portion of this contract being sublet with the written permission of the Government the Company shall be responsible for the acts and omissions of the sub-contractors and their servants as if they were the servants of the Company;

(c)TheCompany shall pay forthwith on demand to the Govt. the amount of damages which the Divisional Forest Officer may

Railway Station and the Kalinadi River.

11. The Company shall place order for purchase of the machinery necessary for the factory before the 31st December, 1955 and shall see that the same are imported before 31st December 1957.

iii. The erection of the factory and the installation of the machinery thereat shall be completed and the Company shall commence production of pulp and paper on or before the 1st June 1958.

iv. That the Company shall start a factory capable of producing 60 tons of pulp and paper per day, in the first instance, extension to be carried out at a later stage with the growing needs of the country.

v. The Company shall have the option to take part of the requirement of power from Karnatak Electric Grid and partly generate and set up its own power plant as may be found economical.

vi. That the Company shall procure the requisite machinery from the soft currency areas as far as possible.

vii. That the Company shall allot at least 5 per cent of its total production of paper to Government and also 5 per cent of its total production ~~of production of~~ of pulp to the cottage industry, if required, at the rates fixed by the Government which rates shall not be below its cost.

10. The Company shall have the licence and authority to ply its own ferry across the rivers in forest areas for the benefit of its employees or for the transport of its goods and for such purposes shall have access to the ferry terminal. The Company shall construct its own road and causeway across the river Kalinadi at the sites to be approved by the Chief Conservator of for transport of bamboos and other raw materials before the Company goes into production and until then the Company shall be permitted to use the forest road and its causeway.

11. The Company shall not employ any labour engaged in the Government Sawmill or working for the Forest Department.

12. (a) The Company shall provide suitable housing accommodation

page 8

238

and medical attendance to its employees.

(b)The Company shall make proper arrangement to provide clean drinking water to its employees.

(c)The Company shall pay wages to its employees at the scales not less than those prescribed by any legislation for the time being in force.

13. The amount of royalty, rent or any other amount due under the agreement shall be paid to the Divisional Forest Officer on behalf of Government. If and whenever any part of the rent royalty or any other amount due under this agreement shall be in arrears, the Company shall be liable to pay interest at 6% per annum from the due date to the date of payment and all sums due shall be recoverable from the Company in accordance with Section 83 of the said Act or as an arrear of land Revenue in accordance with the Section 82 and 85 of the said Act or in both ways. If the said rent or royalty due under this agreement hereby reserved shall be in arrear for the spam of 30 days whether the same shall be legally demanded or not or if any other amount due under this agreement shall be in arrear for the space of 30 days after it shall have been legally demanded or whenever there shall be a breach of any of the covenants or conditions by the Company which shall not have been rectified within a reasonable time(as to which Government will be the sole judge) of their having been officially brought to the Company's notice, the Government will be at liberty to terminate this agreement and to forfeit the whole or any part of the deposit as it may in its absolute discretion think fit.

14. The Company shall-

(a)within 30 days from the end of every three months commending from the date of production pay in the office of the Divisional Forest Officer or as may be otherwise required by him the full amount of royalty at the rates herein before mentioned on the paper manufactured or pulp removed sold or otherwise disposed of before conversion thereof into paper as aforesaid during the preceding quarter subject to final

page..9.....

239 187

(f)The Company shall give sufficient intimation to the Government before it undertakes blasting operations in the river bed and shall take all precautions and give sufficient notice to the public so that public safety is not in any manner endangered.

(g)The Company, may after submitting to the Government the proposed plans, drawings, specifications, and other details and after obtaining the approval of the Government thereto, establish pumping stations on the banks of river Kalinadi in strict accordance with the proposed plans, drawings specifications and other details approved by theGovernment.

(h)The Company shall be at liberty to discharge the trade effluent from its factory into the River Kalinadi, provided however, that if the Collector of Kanara finds that the arrangement of discharge is not suitable, he may direct the Company to extent the pipe line and the Company will extend the pipe line as directed by him. If the discharge of trade effluent (which is not subjected to treatment) proves a source of nuisance to the users of the tidal river, the Company shall treat it suitably to the satisfaction of the Government in the light of experience gained after the Company has started working.

(i)The Company shall be permitted to lay underground and surface pipes, drains and electric cables, railway sidings aerial ropeways, telephone lines etc. through the Government land and Government roads on terms and conditions prescribed by Government for the purposes.

5. The Government shall lease out to the Company 200 acres of land for a factory site and housing colony of the Company's employees and purposes connected therewith at such rent or on payment of appropriate occupancy price and annual assessment and for such period and on such terms and conditions including conditions providing for restriction on alienation as may be prescribed by the Government. Save for such trees as may be reserved for shade or other purposes, the whole area of 200 acres shall be cleared by the Forest Department, Government of Bombay

of treegrowth within a reasonable time from the date of execution of the lease. During the currency of the lease the Company shall at its own cost keep the land clear of the coppice stools lantana, brush wood and other growth.

(a)The Company shall keep a strip of 50 feet width on the road side and on the side abutting nallah and 100 feet in width on other side where the boundary adjoins reserved forests. This strip shall be kept clear of any inflammable material throughout the period of the lease so as to prevent fire from spreading into the adjoining forests. The Company will be at liberty to grow vegetables or crops on the said strip but shall not erect any structures or store any material thereon.

(b)The boundary and other marks shall be kept in proper repair throughout the period of the lease.

6. The Company's carts or motor vehicles and other transport vehicles will be allowed to ply on all forest roads and bridges in the forest areas for transport of material free of toll, subject to periodical closures and other traffic restrictions which the Divisional Forest Officer, may from time to time prescribe to keep the road free from damage provided that such restriction or closure will affect not only the Company's vehicles but also all similar vehicles to whomsoever they belong. Reciprocally all roads constructed by the Company, except those running in the leased land shall be open for traffic of the Forest Department free of toll.

7. The Government shall supply the Company timber required for the construction of the Company's works at scheduled rates if available for the purpose.

8. The Company shall be permitted to quarry stones and earth for its own factory and buildings or road construction purposes or to quarry earth for bricks or tiles for its own factory or building purposes at current permit rates from sites agreed to by the Divisional Forest Officer.

9. The grant of the aforesaid concessions to the Company shall be subjected to the following conditions:-

i.the location of the factory shall be near the Dandeli

page..7.....

2nd 186

Company shall be permitted to remove subject to availability such quantity as may be required by the Company for its own manufacture of pulp and paper not exceeding in all 100 tons per day and that the extraction of the required quantity of bamboos shall be carried out in accordance with the programme prescribed by the Chief Conservator.

2. The concessions mentioned in clause 1 will be available from the High Forest Blocks I to IX and XX situated within the Forest Ranges of Virnoli, Kulgi, Dandeli and Sambrani including all unorganised areas of Dandeli Range included in Block VI subject to the following conditions:

(a) that the Company shall work these areas strictly in accordance with the prescriptions of the Working Plans and shall not extract more bamboos than quantity laid down as sustained annual yield of the locality which is estimated to be 1,00,000 tons per annum and

(b) that such extraction shall not in any way prejudicially affect the privileges enjoyed by the local inhabitants under the Forest Privileges Code and the right of Govt. to dispose of the surplus bamboos after making suitable provision for meeting the requirements of the Company under clause (1) read with Clause 14 (b) hereof.

3. The Company will if permitted by the Chief Conservator introduce new or exotic varieties of bamboos and soft wood in the reserved bamboo areas provided that the main timber crop in the said areas is not adversely affected.

4. The Company will be permitted to use water of the Kalinadi River for the use of the Company's factory including housing colony of Company's employees and pruposes connected therewith on the following conditions:-

(a) The Government shall grant to the Company licence authority to draw water from the said river Kalinadi and to use the same for the purpose of the Company's factory including housing colony of the Company's employees and purposes connecte therewith for a term which shall be coterminous with the period of these presents subject to the payment of such fees or charges

page..4....

as may be prescribed by the Government and payable in advance on or before the 15th January of each year. The Government does not guarantee any specific quantity of water and the Government shall not be responsible for the non-supply or inadequate supply of water.

(b)The Water drawn by the Company from said river Kalinadi shall be used for the Company's said factory including housing colony of the Company's employees and the purposes connected therewith and shall not be sold to any person, firm or Company, Corporation or other body and, in case of such sale, without prejudice to the Government's right to revoke the licence, Government shall be entitled to recover from the Company the proceeds of such sale.

(c)Subject to the provisions of the sub-clauses(a) and (d) of the clause any quantity of water after meeting the reasonable requirements of the Company, which requirements shall not exceed in any count sixty lakh gallons per day,will be available to the Government for disposal at its entire discretion for agricultural, industrial or other purposes or use.

(d) The licence to be granted under Sub-clause (a)of this clause shall not in any manner prejudicially affect the existing water rights vested in the upstream riparian owners; nor shall it, in any way, prejudice the Government's right to launch or implement any new Scheme or Schemes of its own in public interest hereafter at, on or in connection with the present source or channel of water supply available to the Company, subject, however, to the safeguarding of its reasonable demand in respect of the quantum referred to in sub-clause(c) above.

(e) The Company shall not build any dam or dams in the river bed of the said river Kalinadi unless the proposed plans, drawing specifications, estimates and all details thereof are previously submitted to and approved by the Government and, while granting its approval, the Government may impose such conditions as it may in its discretion think fit.

page..5.....

Smaller sum as may in each case be determined by the Divisional Forest Officer in default whereof the whole of the said sum of Rs.1,000/- or such smaller sum as aforesaid will, in accordance with section 85 of the said Act, be recoverable from him as an arrear of land revenue.

3. If and whenever any part of the rent hereby reserved shall be in arrear the same may be recovered from the Lessee as an arrear of land revenue.

4. If the said rent hereby reserved shall be in arrear for the space of thirty days whether the same shall have been legally demanded or not or if and whenever there shall be a breach of any of the convenants by the Lessee hereinbefore contained the Lessor may reenter upon any part of the demised premises in the name of the whole without being liable to pay to the Lessee any compensation and thereupon the term hereby granted shall absolutely cease and determine. PROVIDED ALWAYS that except for non-payment of rent as aforesaid the power or re-entry hereinbefore contained shall not be exercised unless and until the Lessor or the Chief Conservator of Forests on behalf of the Lessor shall have given to the Lessee or left on some part of the demised premises a notice in writing of his intention to enter and of the specific breach or breaches of covenant in respect of which the re-entry is intended to be made and default shall have been made by the Lessee in remedying such breach or breaches within a reasonable time after the giving or leaving of such notice;

5. The Lessor doth hereby convenant with the Lessee that the Lessee paying the rent hereby reserved and performing the convenants hereinbefore on the Lessee's part contained shall and may peaceably enjoy the demised premises for the said term hereby granted without any interruption or disturbance from or

by the Lessor or any person or persons lawfully claiming by from or under the Lessor;

6. If the Lessee shall have duly performed and observed the covenants and conditions on the part of the Lessee hereinbefore contained and shall at the end of the said term hereby granted be desirous of receiving a new lease of the demised premises and of such desire shall give notice in writing to the Lessor before the expiration of the term hereby granted the Lessor shall and will at the cost and expense in every respect of the Lessee grant to the Lessee a new Lease of the demised premises for a further term of sixty years from the date of the expiration of the present Lease with such covenants provisos and stipulations as may be then agreed upon between the Lessor and Lessee and on such renewal such yearly rent shall be reserved whether the same be decreased or increased as the Lessor shall then determine provided always that the new lease to be so granted shall contain a provision that the terms and conditions contained therein shall be subject to being negotiated afresh after every 30 years.

IN WITNESS WHEREOF the common seal of the Electro-Metal-lurgical Works Private Ltd., has been affixed hereto and the Governor of Bombay hath caused the Divisional Forest Officer, Kanara Northern Division to set his hand and affix his official seal hereto on his behalf the day and year first above written.

THE SCHEDULE ABOVE REFERED TO.

ALL THAT piece or parcel of land or ground of the quit and Ground Rent Tenure situate, lying and being

194
245

that the Lessee shall deliver up as aforesaid to the Lessor Levelled and put in good order and condition to the satisfaction of the Lessor all land from which such buildings erections or structures may have been removed.

(i) Not to assign, underlet, part with the possession of the demised premises or any part thereof, or transfer the Lessee's interest therein without the previous permission in writing of the Lessor who may in his absolute discretion refuse or grant the same subject to such condition as he may think including the payment of such portion of the increased returns to the Lessee from such underletting assignment or transfer as the Lessor may determine.

(j) To protect from fire and other damage by a man or beast the land as well the reserved trees and forest produce thereon and shall make good to the Lessor on demand all damage and loss thereto and thereof from whatsoever cause arising.

(k) To prevent any fire from spreading from the land into the neighbouring Government forest.

(l) To assist in extinguishing any fire occurring in the neighbouring Government forest;

(m) To assist in preventing the commission in the neighbouring Government forest, of any forest offence and, when there is reason to believe that any such offence has been committed in that forest in discovering and arresting the offender;-

(n) To repair and keep in good order all special or other mark defining the boundaries of the demised land;

(o) To pay all such expenses as the Divisional Forest Officer may determine to be necessary for, or to have been incurred in the execution of

any work to be done, which by the conditions hereinbefore contained he has bound himself to perform and which on requisition made by the Divisional Forest Officer the Lessee has failed or omitted within the time specified in such requisition to perform.

(p) Throughout the said term to keep the demised premises clear of the coppice, stools, lantana, bunsh wood and other similar growth;

(q) To keep a strip of 100 feet along the entire width on the road perineter of the demised premises such strip shall be kept clear of any inflammable material through out the said term so as to prevent fire from spreading into the adjoining forests. The Lessee will be at liberty to grow vegetable or crops on the said strip but shall not erect any structures or store any materials thereon.

(r) The Lessee shall not ply lorries exceeding 1½ tons weight for the purpose of conveying manganese Ore subject to the condition that the Ore conveyed by each lorry shall not exceed such cubic content as may be fixed by the District Magistrate, Kanara.

2. AND in consideration of the lease hereby granted to it as aforesaid and in compliance with the rule herein above recited the Lessee does bind itself to perform every duty and act expressed in the conditions herein contained as to be performed by it and does covenant with the Lessor that it, the Lessee, and each of its servants and agents will abstain from every actin expressed in the conditions herein contained as to be abstained from and the Lessee doth hereby agree that in case of any breach of any of the said conditions the Lessee shall pay to the Lessor through the Divisional Forest Officer on demand made in such behalf by him the sum of Rupees 1,000/- or such

WA 193

the occupier in respect of the demised promises and anything for the time being thereon; Provided,however, that the Lessee shall not be liable to pay any non-agricultural assessment to the Government in respect of the use of the demised premises for the purposes set out in this lease.

(c) Not to make any excavation on any part of the said land hereby demised except for the purpose of levelling the same and putting up the proposed factory thereon and not to remove or utilise any stones, sand, gravel, clay or earth from the said land hereby demised except such stones, sand, gravel, clay or earth as may be brought to the surface in the course of excavations so permitted ; Provided, however, that the Lessee shall not remove from the said land or utilise any stone, sand, gravel, clay or earth except for thesaid purposes of setting up the proposed factory and provided always that the Lessee shall not under take any excavation which may in the opinion of the Government cause soil erosion or otherwise damage the neghbouring forest land and shall not also utilise the land hereby demised or any part thereof for mining or quarrying purposes even for the purpose of obtaining any materials for putting up the proposed factory.

(d) Not to cut or remove any trees on the said land without the previous permission of the Divisional Forest Officer, Kanara Northern Division. Provided that such permission shall not be necessary for cutting or removal of the plants.

(e) Not to commence the construction or erection of any building structure or other work on the said,

248

Land unless and until the lay-out and plans and details thereof shall have been previously submitted by the Lessee for scrutiny of and to be approved in writing by the Chief Conservator of Forests, and to construct the buildings or erections so permitted in strict accordance with the approved plans within such period as may be prescribed by the Chief Conservator of Forests.

(f) Not to make any addition to any building or erection erected and standing on the demised premises except with the previous approval in writing of the Chief Conservator of Forests.

(g) To use the said land hereby demised for the purposes of a ferro-manganese factory and housing colony for the lessees employees and the purposes legitimately connected therewith and for no other purpose whatsoever;

(h) Within six months from the date of the expiration or sooner determination of the said term quietly deliver up to the Lessor the demised premises and all erections and buildings then standing or being thereon PROVIDED ALWAYS that the Lessee shall be at liberty if it shall have paid the rent then due and in addition thereto a sum equal to the rent for the then unexpired period of the said term and all Municipal and other taxes rates and assessments then due and shall have performed and observed the convenants and conditions herein contained prior to the expiration of the said term to remove and appropriate to itself all buildings erections and structures and materials from the said land within six months from the date of expiration or sooner determination of the Lease but so nevertheless

THIS LEASE made this nineteenth day of October one thousand nine hundred and fifty-six BETWEEN THE GOVERNOR OF BOMBAY exercising the executive power of the Government of the State of Bombay hereinafter called 'the Lessor'(which expression shall unless the context does not so admit include his successors in office and assigns) of the one part and the Electro Metallurgical Works Private Ltd., Bombay hereinafter called "the lessee" (which expression shall unless the context does not so admit include its sucessor or successors in business and permitted assigns) of the other part.

AND WHEREAS the Lessee has applied to the Lessor for the grant of a lease of 96 acres of the forest land for a factory site and housing colony of the lessee's employees and for purposes connected therewith and has agreed to observe and perform the terms convenants and conditions. On the part of the Lessee hereinafter contained.

AND WHEREAS by a rule under section 76, clause(d), of the Indian Forest Act, 1927, hereinafter called "the said ACT", whoever enters into any contract with any Forest Officer acting on behalf of Government shall, if so required by such Forest Officer, bind himself by a written instrument to perform such contract;

NOW THESE PRESENTS WITNESS THAT in pursuance of the said Agreement and in consideration of the rent hereby reserved and the conditions and covenants on the part of the Lessee hereinafter contained the Lessor doth hereby demise unto the Lessee, All that pieces or parcel

250

of land situate at Kumbarkop containing by admeasurement 96 acres or thereabouts and more particuarly described in the schedule hereunder written and delineated on the plan thereof hereto annexed and thereon surrounded by a red colcured boundary line together with the buildings or erections at any time standing or being thereon And Together also with all the rights, easements and appurtenances thereto belogging Except and Reserving unto the Lessor all the mines and minerals in and under and the trees, shrubs and other growth upon the said land or any part thereof To Hold the said land and premisses herein before expressed to be hereby demised(hereinafter referred to as 'the demised premises') unto the lessee for a term of 30 years to be computed from nineteenth day of Oct.1956. Paying therefore yearly during the said term unto the Lessor at the office of the Divisional Forest Officer, Kanara Northern Division,Dharwar or as may be otherwise required an early rent of Rs.7680/- to be paid in advance on the 1st days of April in each year without any deductions whatsoever subject Always to the provisions of the Indian Forest Act, 1927 and the Rules thereunder and subject also to all the conditions, restrictions and stipulations hereinafter following:

(a) During the said term hereby created to pay unto the Lessor the said rent of Rs.7680/- at the time on the days and in the manner hereinbefore appointed for payment thereof clear of all deductions.

(b) To pay all existing and futuwe taxes rates assessments and outogings of every description for the time being payble either by landlord or tenant or by

Sir,

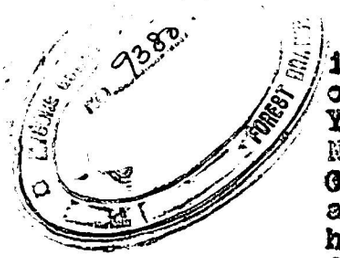
Subject :- Dandeli Town Area
Disafforestment of lands.

Reference : (1) Correspondence resting with this office letter of even No. dated, 21-9-1961 addressed to the Secretary to Govt. A & F.D. Bangalore and copy endorsed to you.

(2) Items No. 1 & 3 of the proceedings of the meeting held at Bangalore on 17-8-1961.



It was agreed in the said meeting that the industrial area should also be brought within the limits of the Notified Area and the Municipal Laws applied. Your attention in this connection is invited to the letter No.IND/GEN.DTS. 1411(4)/60-61 dated 18-3-1961, of the Conservator of Forests, Belgaum Circle, addressed to you, and you are requested to advise him to forward with his concurrence the Deputy Commissioner's proposals about disforestment of the area of 532 Acres and 13 Guntthas in which the industries are located. A very early action is kindly requested; as the development of the Township cannot progress, unless the industries are included in the Town Area. The Deputy Commissioner, Karwar is being asked to send the requisite draft notification in the matter, through the Conservator of Forests Belgaum-Circle, Belgaum, if he has not already done so.

Yours faithfully,

Sd/-

1. Disforestment of the Depot area and area covered by the Industries:

The question of disforestment of the Depot area along with the area covered by the Industries and including them in the notified area was discussed. The Chief Conservator of Forests said that he has no objection if Octroi and taxes are exempted on the articles of the Forest Department. It was agreed that the area covered by the Forest Depot should be disforested and brought within the limits of the Notified area. The Divisional Commissioner also accepted. It was agreed that the industrial area should also be brought within the limits of the Notified area and the Municipal laws applied, the land being disforested and retained by the forest Department.

....2.

It was also agreed that the said Municipal area in actual use by Forest Department, may be exempted from octroi and other taxes except services taxes on residential buildings.

(Action to be taken by Agriculture & Forest Department and Chief Conservator of Forests).

2. Disforestment of and clearance of 250 acres of Forest land.

The Chief Conservator of Forests agreed to disforest this area as scheduled and as decided at the last meeting held on 14-2-1961.

(Action to be taken by the Agriculture & Forest Department and Chief Conservator of Forests).

3. Levy of taxes and fees.

A Notification has been issued by Government approving the taxes to be imposed by the notified area under No.LLH 8 TTX 59 dated 31-5-1961. So after the areas covered by the Industries are disforested and included in the Notified area, the local body will have to levy taxes after following the procedure under Section 61 & 62 of the Bombay Municipal Act 1901.

(Action to be taken by the Special Officer and Divisional Commissioner).

4. Grant of loans to the Notified area (ii) Water Supply Scheme for Dandeli.

It was decided that a loan of an additional sum Rs.3 lakhs may be given for general development of the Dandeli for the present. The Deputy Secretary Finance Department also agreed to this.

(Action to be taken by the P.H.,Labour & Municipal Admn. Department).

5. Organisation of an Industrial Estate at Dandeli.

It was suggested that it should be included in the Third Five Year Plan. The Director of Small Scale Industries stated that the State Government had recommended this case to the Government of India.

(Action to be taken by the Joint Director of Small Scale Industries).

6) Sanction of Project allowance to the staff of the Notified area.

The Finance Department is not in favour of giving both the Special pay and project Allowance. The Divisional Commissioner suggested that Dandeli was much worse than other places and that as a special case the project allowance may also be sanctioned The Divisional Commissioner promised to send a detailed note in the matter explaining the necessity for the said allowance. It was decided to take up this question at the Cabinet level after the receipt of details from the Divisional Commissioner.
(Action to be taken up by the Divisional Commissioner and P.F., Labour & Municipal Admn. Department).

7. Schemes and Rules for disposal of plots.

It was decided that the question of leasing it for 99 years and selling the lease by public auction may be examined.
(Divisional Commissioner, Belgaum to take action).

8. Re-Railing of Railway Line between Alnavar and Dandeli.

The Chief Conservator of Forests said that he is agreeable to the proposal and that the Railway Board may be approached in the matter. It was agreed that this question may be pursued by the Agriculture and Forest Department.
(Action to be taken by the Chief Conservator of Forests and Agriculture and Forest Department).

9. Adoption of revised scales for the staff as sanctioned by Government from time to time.

It was agreed that Government Scales may be given with the concurrence of Finance Department.
(Action to be taken by the Divisional Commissioner and P.H.,Labour and Municipal Admn. Department).

10. Enforcement of provisions of the agreement Executed by the various Industries.

It was decided that the Divisional Commissioner may examine the requirements in each case and enforce the rules.
In respect of the pollution of water by W.C.Paper Mills, the Director of Public Health and the Deputy Commissioner, North Kanara and the Executive Engineer, North Kanara may jointly

inspect the area and decide on the steps that should be taken by West Coast Paper Mills - to prevent pollution of water, and the Deputy Commissioner may enforce it strictly under the terms of the agreement.

(Action to be taken by the Divisional Commissioner and Director of Public Health).

11. Appointment and Transfer of Technical staff.

The Divisional Commissioner said that an experienced Assistant Engineer should be posted there. The Special Officer said that out of 6 Sub-overseers posted, only two of them are there and that there is need for two more supervisors, one Junior Engineer and one Assistant Engineer. This was taken note of by the Chief Engineer(Communications & Buildings). He agreed to post the staff required as early as possible.

(Action to be taken by theChief Engineer,(General).

12. Transfer of lands of 200 acres to the Dandeli Notified Area.

The Divisional Commissioner expressed some of the difficulties in transferring the lands to the Notified Area. The Secretary, Public Health, Labour & Municipal Admn. Department stated that N.A. assessment should be limited to agricultural assessment only in individual cases an examining the merits of the case and that the Divisional Commissioner himself can do it. The Divisional Commissioner agreed to this. The terms on which the land should be transfered to the Notified Area Committee may be worked out by the Divisional Commissioner and sent to Government for orders.

(Action to be taken by the Divisional Commissioner,Belgaum).

13. Purchase of a Road-Roller for the Notified Area.

The Chief Engineer (Communications & Buildings) said that he had placed orders for some Road-Rollers and they are yet to be received. The Secretary, Public Health,Labour and Municipal Administration Department suggested that one road-roller may be placed at the disposal of the Assistant Engineer, Haliyal and that it may be made available to the Special Officer when required.

The Chief Engineer agreed accordingly to spare one Road Roller by November 1961.

(Action to be taken by the Chief Engineer (Communications & Buildings. and the Special Officer, Dandeli).

14. Supply of power on P.W.D.road leading to Bazaar outside Notified Area Dandeli.

It was decided to sanction the expenditure on this account.

(Action to be taken by the P.H.,Labour & Municipal Admn.Department).

15. Construction of departmental buildings to help speedy development of Town.

It was decided that the concerned Departments may be reminded and the work may be expedited.

(Divisional Commissioner Belgaum and P.H.,Labour & Municipal Admn. Department to remind).

16. Provision to be made in the New Municipal Bill for the continuance of the Dandeli Notified Area as such:

The Divisional Commissioner, Belgaum, suggested that provision may be made in the New Municipal Bill to retain chapter XIV of the B.D.M.Act governing a Notified Area, so that Dandeli Notified Area can be continued as at present. It was decided to examine this question further in consultation with Law Department.

(P.H.,Labour & Municipal Admn. Department to take action).

17. Financial assistance for the Low Income Housing Scheme at Dandeli.

The Secretary said that it may be examined, when proposals are received.

(Action to be taken by Divisional Commissioner, Belgaum and P.H., Labour & Municipal Admn. Department).

19. Establishment of General Hospital.

It was observed that the Chief Engineer and the Director of Medical Services should expedite the matter.

(Action to be taken by the Chief Engineer(Communications & Buildings and the Director of Medical Services).

20. Construction of Employee's State Insurance Hospital.

It was decided that the Director of Medical Services and the Chief Engineer(Communications & Buildings) should expedite the matter.

(Action to be taken by the Chief Engineer(Communications and Buildings) and the Director of Medical Services).

21. Supply of Electricity to Dandeli.

The Minister said that the Government will address the Chairman, Electricity Board to speed up the matter.

(P.H.,Labour & Municipal Admn. Department to take action).

22. Construction of State Transport Buildings at Dandeli.

It was decided that the Transport authorities may be expedited in the matter.

(Action to be taken by the Divisional Commissioner).

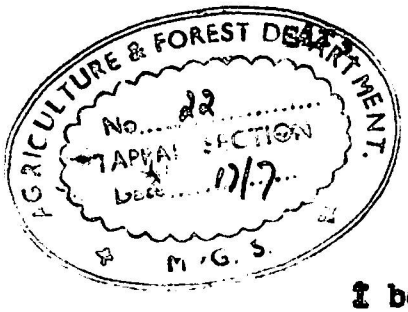
10th July 1961

The Hon'ble Minister for Developement and Local Self Govt.,
Secretariate,
B A N G A L O R E.



Subject: Request for declaring Dandeli Town area along with 200 acres clasified as notified area as one unit for Developement and administrative purposes as well.

I beg to place before you following few lines regarding the scheme of town Development in Dandeli for your kind attention.

Under the above scheme an area of 200 Acres has been seperated from Dandeli and is classified as notified area, under the Management of a Special Officer. In this area, portion of it has been given to housing Board for construction of quarters for industrial lanourers. In the remaining area the allotment has been made for various offices, markets, hospitals etc. I understand a portion of it is going to be converted into small plots for Public purposes and how to dispose of these plots is not yet finalised.

I have personally represented to the Ministers whoever visited this place during the last tow years to take up the developement of this town as one unit. I emphatically pressed this that this town of Dandeli should be taken as one unit for developement as also for administrative purpose and that all the industries should be in a proper manner.

The present development of 200 acres on the money advanced by the Govt., may not help the real development of the town.

Contd.....2

I would suggest that a corporate body may be constituted with power to levy taxes and with power to develope the area. Corporate body may require money for developement which should be provided by the Govt., in the earliest stage as loan. I may also point out that 200 acres area ~~se=eeee=t~~ which is being developed at present if left to itself may not be able to earn taxes even after developement as the remaining area of the town near about 1000 acres which will remain outside the control of the notified area. The developement will need large amount of money and it is quite essential that the developement should be considered for the whole of Dandeli as one unit and not peice meal.

I therefore request you to review the whole thing and to take such action as possible to the best advantage of the Dandeli town. I also suggest that you will please visit this place at your earliest convenience and discuss various things in connection with the developement work, with Industries and local people.

Thanking you,

Yours faithfully,

(B.B.Murdeshwar).

Subject :- Dandeli Town Area
Disafforestment of lands in
Ambewadi and Dandeli villages.

166/CF.

Reference para 3 of this office letter of even No. dated 11-5-1961 with reference to Government letter No.AFD 60 DST 57 , dated 21-4-1961. The proposals received under the endorsement No.IND/GEN/DTS-= 1411(4) 60-61, dated 16-8-1961 of the Conservator of Forests, Belgaum Circle, Belgaum regarding disafforestment of an additional area of 250 acres in Ambewadi and Dandeli villages in Haliyal Taluka, for being included in the Dandeli Township are enclosed. The Timber Depot Saw Mill, Research Garden etc. of the Forest Department are not located in this area of 250 acres.The Survey No. 4-A is shown instead of F.S.No. 3-A in this draft Notification and sketch (pages 101 and 103 of the enclosed file) as suggested by the Conservator of Forests. The draft Notification may kindly be issued very early and the authorities of the Forest Department may be requested to clear the whole area as per the scheduled programme (vide Govt. letter No. AFD 60 DST 57 dated 21-4-1961) i.e. by June, 1962, as unless this is done, the question of extension of the limits of the Dandeli Town Area, which is an urgent necessity, cannot be finalised.

159/CF

A separate draft notification is lying with the Chief Conservator of Forests in respect of the Timber Depot etc. covering 378 Acres 30 Gunthas. It was decided at the meeting on 17-8-1961 that this should be disforested provided octroi is not levied on the Departments' transaction. This may be also notified as decided.

Yours faithfully,

21/9/61

(A.M.Shaikh)
for Divisional Commissioner,
Belgaum.

....

AGRICULTURE & FOREST DEPARTMENT
No. 27
APPEAL SECTION
Date 22/12
M. G. S.

MYSORE GOVERNMENT SECRETARIAT
NO. 1726
23 DEC 1961
FOREST BRANCH

No: GB/FORSR-589.
Belgaum, Dated: 20th Dec., 1961.

To

The Secretary to Government,
Agriculture and Forest
Department, Bangalore.

Sir,

Reference Government letter No. AFD 60 DST 57 dated 20-11-1961.

It is stated in the above Government letter that Draft Notification regarding disafforestment of 250 acres (which has been sent to Government under this office letter of even No. dated 21-9-1961) will be issued on receipt of draft Notifications in respect of other areas also from the Chief Conservator of Forests. It may be stated ~~that~~ in this respect that the said area of 250 acres forms part of 450 acres to be developed under stage 1(vide para 84 on page 42 of Dandeli Township Committee's report) immediately. Out of this area of 250 acres, it is proposed to arrange for the clearance of 100 acres by March 1962 and of the remaining area of 150 acres by June 1962; by the Forest Authorities. This area has to be cleared, roads, drains, house sites laid out urgently to prevent encroachments and the growth of slums which has started extensively already for want of space for house building.

2. In view of these facts it is necessary to issue the Disafforestment Notification in respect of the area of 250 acres, (which has already been sent to Government under this office letter of even No. dated 21-9-1961) urgently, without waiting for Draft Notifications in respect of other areas from the Chief Conservator of Forests. The said Notification in respect of 250 acres may, therefore, kindly be issued, early.

3. The remaining area of 200 acres to be developed under stage 1 has already been disafforested and included in the town area.

4. I would also request you kindly to take immediate steps to issue Disafforestment Notifications in respect of the areas of 378A-30G and 357A-5G covered by the Timber Depot, Saw Mill etc. of the Forest Department and the three Industries. A reference in this connection is invited to Government letter No. AFD-60-DST-57 dated 3-11-1961, addressed to the Chief Conservator of Forests, Bangalore.

Yours faithfully,

O.C. signed by
Commissioner.

(A. M. Shaikh.)
For Divisional Commissioner, Belgaum.

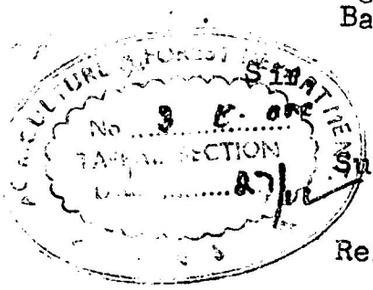
No. B3. 90-1713/56 Dated 26 December 1961. 295

To

The Secretary to Government,
Agriculture & Forest Department,
Bangalore.



Sub:- Dandeli Township area - Extension of limits of the - Disforestment of forest area.

Ref:- Your letter No. AFD 60 DST 57 dated 3-11-61 and this office letter of even number dated 17-11-1961.

I enclose a copy of letter No. IND/GEN-DTS/1411(4)/60-61 dated 18-12-1961 from the Conservator of Forests, Belgaum Circle, Belgaum giving the details of the area leased out to the several industries and the area required to be disforested as per the comprehensive plan of Dandeli Town for perusal. The draft disforestment notification will be submitted to Government as soon as it is received in this office.

Yours faithfully,

CHIEF CONSERVATOR OF FORESTS.

DVP/

Copy of letter No. IND/GEN-DTS/1411(4)/60-61 dated 18-12-1961 from the Conservator of Forests, Belgaum Circle, Belgaum to the Chief Conservator of Forests, Bangalore.

Sub:- Dandeli Township area - Extension of Limits of the Disforestment of forest area.

Ref:- Your No. B3.90-1713/56 dated 5-12-1961.

Para 1 of your letter:-

In this respect I invite your kind attention to this office even number dated 7-12-1961 on the above subject and state that in view of your present instructions the Divisional Forest Officer, Kanara N.D. has separately been asked to prepare and submit separate draft disforestment notification in respect of the areas occupied by the Industries at Dandeli through the Deputy Commissioner, N. Kanara, Karwar immediately.

In this office even number dated 21-10-1961 it was stated that the Deputy Commissioner, N. Kanara had forwarded to this office disforestment proposals in respect of 532 acres and 13 gunthas of forest land comprising the three Industries and land connecting the same to the Notified area. Thus it may be seen that neither the D.F.O. Kanara N.D. nor this office had prepared the draft notification in respect of this area. Even it is not understood how an area of 375.5 acres has been shown as occupied the three Industries in the Government letter referred to in your above letter. The total area leased out to the Industries and that is required to be disforested as per the comprehensive plan of Dandeli Town is as shown below.

	Acres. G.
1. The West Coast Paper Mills Ltd., Dandeli. ..	254 - 0
2. The Electro Metallurgical Works(P)Ltd., Dandeli.	96 - 0
3. The Indian Plywood Mfg. Co., Ltd., Dandeli. ..	76 - 0
4. The Small Scale and Allied Industries Co-op. Scoiety, Dandeli.	6 - 0
Total.	432 - 0

Hence separate draft disforestment notification in respect of 432 acres will be submitted to you through the Divisional Commissioner, Belgaum as early as possible.

Para 2 of your letter:-

The position about this has already been made clear in this office even number dated 1-12-1961. However, the the instructions are noted.

2.1.62

298 243

PART I

Notes showing the progress achieved on the various subjects since the meeting on 17 -8 -1961 at Bangalore.

--oo0oo--

Point No. 1:-Disforest of Depot Area and area covered by the Industries.

It was agreed at the meeting on 17-8-1961 that the Forest depot area as well as area covered by the three Industries should be disforested and brought within the limits of Notified Area and the Municipal Law applied, the land being disforested and retained by the Forest Department. It was also agreed that the said area in actual use of forest Department be exempted from Octroi & other taxes except service taxes on buildings.

Necessary notification for the disforestment of the above areas were submitted to Govt. A & F.D. by the Divisional Commissioner Belgaum Dn.,Belgaum. The D.F.O. N.D.Kanara,Dhawwar was personally contacted and all information required for submission of disforestment notification was supplied to him in the month of October 1961. Accordingly the Divisional Forest Officer N.D.Kan Dharwar has submitted a notification to the Conservator of Forests Belgaum Circle on 5-11-1961. On perusal of the copy of the same, received in this office it was noticed that the areas shown in the Notification were not tallying with the village records and were also not found to be contiguous. The Divisional Forest Officer,N.D.Kanara Dharwar has therefore been requested to clerify the discrepancies along with the map, under this office No.1485 dated 23-11-1961.

The Conservator of Forests Belgaum Circle Belgaum has written that these proposals with the notification would be referred back to the Deputy Commissioner Kanara,Karwar.

...2

299

Further action will be taken on receipt of the proposals.

--ooOoo--

Point No. 2:-

Disforestment & Clearance of 250 acres of Forest lands.

As per decision taken at the meeting on 17-8-1961, the proposals for disforestment have been submitted to Govt.A & F.D. under Divisional Commissioner Belgamm's No.GB/For/SR-5896f 21-9-1961. Issue of notification by Govt. A & F.D. is still awaited.

As regards the clearance, the Divisional Forest Officer N.D.Kanara Dharwar has agreed to handover about 100 acres(out of the above 250 acres) by the end of December 1961. The work of clearance is going on. If these 100 acres are handed over in the month of December ~~1961~~ 1961 positively it will facilitate getting a layout of residential and other plots before March 1962 and further disposal of these plots can be completed before the rains set in in 1962.

--ooOoo--

Point No. 3:-

Levy of taxes and fees.

In accordance with final notification issued by Govt. under LLH 8 TTX.59 dated 31-5-1961 approving the taxes to be imposed by the Notified Area, requisite rules & By-laws on all the following six taxes have been framed and submitted to the Deputy Commissioner Kanara, Karwar for sanction of the Divisional - Commissioner Belgaum Dn.,Belgaum under this office No. 1568 dated 1-12-1961.

1. Building By-laws of the Notified Area,Dandeli.
2. By-laws regarding registration of births,deaths & marriages in the Notified Area,Dandeli.
3. By-laws regarding the places for depositing rubbish etc,.
4. By-laws for enforcing the supply of information to any cases of dangerous diseases.
5. By-laws regulating the disposal of the dead.
6. By-laws regarding the Mode & Manner of Publication of Rules & By-laws & General notices.

In addition, proposals to levy Bazaar tax, water and special water rate are also submitted for obtaining Govt. approval.

As regards fees, Rules regulating levy of fees on the various items as shown in the accompanying list have been framed and are sent to the Deputy Commissioner Kanara,Karwar for necessary sanction of the Divisional Commissioner Belgaum Dn.,Belgaum.

Taxation has not been started as the areas covered by the Industries are not transferred to the Notified Area.Since the Notified Area developments are executed from the loans sanctioned by Govt. from time to time it is quite necessary to transfer the Industrial areas so that taxation can be started atleast from 1-4-1962.

.--ooOoo--

e Director of Town Planning
esigns of buildings to be
lustries & Forest Dept.,
ed area of Township.

Govt. have taken a decision already that all the three Industries areas, Forest Depot and the river side areas should be transferred to the Notified area and steps in this respect are in progress. During this period it would be necessary to enforce a systematic development in this designated Township area. The Industries and the Forest Departments are constructing many buildings either for office, commercial or residential purposes every year. In the best interest of Town development it would be necessary if such new constructions are taken up after the approval of the Director of Town Planning Bangalore, to the design, orientation etc.,

If approved, the Director of Town Planning Bangalore may kindly be instructed to take necessary action.

251
307

Point No.3:-

Re-railing of Railway line between Alnavar & Dandeli.

The Chief Conservator of Forests Bangalore may kindly be expedited in the matter.

30

Notes showing the progress achieved on the various subjects since the meeting on 17-8-1961 at Bangalore.

Point No. 1:- <u>Disforest of Depot Area and area covered by the Industries.</u>

It was agreed at the meeting on 17-8-1961 that the forest Depot area as well as area covered by the three Industries should be disforested and brought within the limits of Notified Area and the Municipal Law applied, the land being disforested and retained by the Forest Dept. It was also agreed that the said area in actual use of forest Department be exempted from octroi and other taxes except service taxes on buildings.

Necessary notification for the disforestment of the above areas were submitted to Govt.A & F D. by the Divisional Commissioner Belgaum Dn., Belgaum. The D.F.O. N.D.Kanara, Dharwar was personally contacted and all information required for submission of disforestment notification was supplied to him in the month of October 1961. Accordingly the D.F.O.N.D.Dharwar has submitted a notification to the Conservator of Forests Belgaum Circle on 5-11-1961. On perusal of the copy of the same, received in this office it was noticed that the areas shown in the Notification were not tallying with the village records and were also not found to be contigueus. The D.F.O.N.D.Dharwar has therefore been requested to clerify the discrepancies along with the map under this office No.1485 dated 23-11-1961.

The Conservator of Forests Belgaum Circle Belgaum has written that these proposals with the notification would be referred back to the Deputy Commissioner Kanara, Karwar.

Further action will be taken on receipt of the proposals.

Notes on the progress made in the Pandeli Township.

....

Point No.1: Disforestment of Depot area and area covered by the Industries.

Point No.4: Levy of Taxes.

Point No.14: Systematic construction of buildings within the designated Township Area.

Draft Notifications regarding disafforestment of 373 acres 30 gunthas and 357 acres and 5 gunthas in which Forest Timber Depot and Saw Mill and the three industries are situated have been called for by Government from the Chief Conservator of Forests(under Government letter No. AFD 60 PCT 57 dated, 3-11-1961). The Draft Notifications may be obtained from him and issued very early. The Special Officer, Notified Area, Pandeli has been asked to frame rules and bylaws, by making provision for exempting octroi and other taxes on the materials and buildings of the Forest Department, except service taxes on residential buildings. As it has been decid to levy taxes after the industries are included in the Town Area, urgent action for disafforestment and inclusion of the said areas in the town area is necessary. This is also required to be done on priority basis in order to ensure the construction of buildings in a planned manner and to check up encroachments and haphazard development of buildings which are cropping up every year. The building rules and bylaws of the Town Area can be enforced only after the areas are included in the Town Area and hence the urgency.

Point No.2: Disforestment and clearance of 350 acres.

Disafforestment Notification in respect of 350 acres has been sent to Government in Agriculture and Forest Department under Divisional Commissioner's letter No.GE/FORST-589 dated, 21-9-1961 Government have been moved again on 20-12-1961 (with reference to Govt. No. AFD 60 PCT 57 dated 20-11-1961) to issue the said notification immediately without waiting for the draft notifications regarding the areas referred to in item 1, as the area is required to be developed immediately under

P.T.O.

(255
311

stage I (vide Para 5, 4 on page 42 of Mandeli Township Committee's report), it is essential to issue the notification on priority basis and to complete the clearance of the area by June, 1955 as already programmed by the Forest authorities.

Point No.3:- Re-siting of Railway line Between Alwar and Mandeli.

The Chief Conservator of Forests and the Secretary, Agriculture and Forest Department may kindly pursue the matter with the Railway Board as already decided.

No. B3. 90-1713/56 Dated 8 January, 1962.

To

The Secretary to Government,
Agriculture & Forest Department,
Bangalore.

Sir,

Sub:- Development of Dandeli Township -
Extension of limits of the .- -

I invite your reference to the discussion held in the chambers of the Minister for Development & Local Self Govt. on the above subject on 5-1-1962. The draft disforestment notifications in respect of 378 acres 30 gunthas covered by the Forest Depot, Jai Hind Saw Mill etc., and another area of 250 acres, are already before Government. The notification inrespect of 378 acres 30 gunthas was submitted to Government under this office letter of even number dated 28-6-61. The notification in respect of 250 acres was submitted to Government by the Divisional Commissioner, Belgaum under his letter No. GB/FOR/SR-539 dated 21-9-1961. There seems to be no objection to issue these notifications without waiting for the notification in respect of the area covered by the Industries. The Conservator of Forests, Belgaum Circle has been expedited by phone to-day to submit the draft disforestment notification in respect of the area covered by the Industries immediately and the same will be submitted to Govt., as soon as it is received in this office.

Yours faithfully,

for CHIEF CONSERVATOR OF FORESTS.

16. The Technical Assistant to Chief Conservator of Forests.
17. The Special Officer, Notified Area, Dandeli.
18. The First Assistant to the Director of Public Instruction.
19. The Under Secretary, PH., Lab. & Ml. Admn. Dept.(Municipal)

Subject:- Disforestment of Dept area and area covered by Industries:-

It was agreed that the Agriculture and Forest Department should expedite the issue of Notifications in these two cases and that the Chief Conservator of Forests should take personal interest to see that the matter is expedited.

(Action: By Agriculture and Forest Department and Chief Conservator of Forests).

Disforestment and clearance of 250 acres.

The representative of the Forest Department stated that the Forest Department would keep up the time schedule already agreed to. The Agriculture and Forest Department should also expedite the issue of disforestment Notification.

(Action: By Chief Conservator of Forests and Agriculture and Forest Department).

Re-railing of Railway between Alnavar and Dandeli.

The Divisional Commissioner, Belgaum observed that the amount of compensation offered by the Railway Board was rather low and that it was suggested that the matter should be taken up at a higher level. It was agreed that the matter may be preferably taken up by the Chief Minister with the Railway Board.

(Action: By Agriculture and Forest Department).

contd.2)

318/26

Levy of taxes

It was decided that the Chief Conservator of Forests should take immediate action to transfer the areas covered by industries to the notified area, as till this is done, the taxation cannot be levied.

(Action: By Agriculture & Forests Department.).

Organisation of Industrial Estate.

The Joint Director, Small Scale Industries stated that if an extent of 5 acres of land is demarcated and handed over to him, he would take further action to form lay outs etc., as the roads have already been shown in the plan in this behalf. It was decided that the Director of Town Planning may fix up a date in consultation with the Joint Director, S.S.I., to hand over the area immediately so that he can take possession of the land and proceed with further action.

(Action: By Director of Town Planning and Joint Director, S.S.I.)

Grant of Project Allowance.

With regard to Project Allowance, the over-all financial implication in this connection had been called for from the Divisional Commissioner, Belgaum and he has furnished the same. It was agreed that the question of sanctioning the Project allowance should be expedited.

(Action: By PH., Labour and Municipal Admn.Dept.

Appointment and transfer of technical staff:-

The Chief Engineer (Communication and Building) stated that he is posting an Assistant Engineer who is just promoted. The Special Officer stated that at present two supervisors had been posted in place of one supervisor and one Junior Engineer. He urged that in place of one of the supervisors, a Junior Engineer may be posted immediately. The Chief Engineer (C & B) agreed to post One Junior Engineer early.

(Action by Chief Engineer (C & B).

Transfer of lands to Notified Area, Dandeli.

As action has to be taken on this by the Revenue Department it was decided that the said Department should expedite the case.

(Action by the Revenue Department).

Construction of departmental buildings in the notified area:-

a) Police Department buildings:- It was stated that the estimates have been sent to Government. It was agreed that this question should be expedited.

(Action by Home Department and I.G.P. and C.E.,(C. & B).

b) General Hospital:- The Director of Medical Services I/c and the Chief Engineer were requested to expedite the matter.

(Action by Director of Medical Services and Chief Engineer (C & B).

contd.3)

c) E.S.I. Hospital:- The Special Officer agreed to hand over to the Administrative Medical Officer, E.S.I. Scheme some houses under the Low Income Group Housing Scheme duly completed by March 1962.

(Action by Special Officer, Dandeli Notified Area).

d) S.T. Bus Stand:- The General Manager, State Transport Department stated that he would visit Dandeli, and take an early decision in the matter.

(Action by General Manager, Mysore State Transport).

Loans under Low In-come Group Housing Scheme and Supply of Electricity to notified areas.

The Special Officer, Housing Board stated that the funds of the Housing Board were exhausted and that no money was available at present for allotment to the Dandeli Notified Area. The Minister for Development and Local Self Government observed that the Housing Board should give high priority and give the funds required to the Special Officer, Dandeli Notified Area early.

(Action by the Special Officer, Housing Board).

Supply of Electricity to Dandeli.

It was stated that the execution of work for supply of power to Notified Area has already been started. It was agreed that it should be expedited and the power made available early.

(Action by the Mysore State Electricity Board and Special Officer, Housing Board).

Pollution of Kali River Water

It was stated by the Deputy Director of Public Health, Sri S.D.Narayana Gowda that plans prepared by the West Coast Paper Mills for sedimentation Tank in the paper effluents had been sent to him and that the same has been sent to the Deputy Commissioner, North Kanara with his remarks. It is also stated that this plan requires certain alterations. As much time has already elapsed in preparing the plan, it was decided that the Chief Engineer (Communications and Buildings) may send Sri G.N.Radha Krishnan Executive Engineer, Special Water Supply Division, Bangalore to visit the place on 15-1-1962 along with the Deputy Director of Public Health, Sri S.D.Narayana Gowda and that they should prepare a plan and finalise it and hand it over to the Deputy Commissioner, North Kanara on the same day.

(Action by the Director of Public Health, Chief Engineer (General) Deputy Commissioner, North Kanara and PLM Dept.)

Drinking Water Wells to be provided by the West Coast Paper Mills in the neighbouring villages.

It was stated that only two wells have been completed and only one of these two is found to be in use. It was decided that the Divisional Commissioner may take necessary action in the matter.

(Action by the Divisional Commissioner, Belgaum).

4)...

320 269

Sixty per cent grant in aid for construction of Primary School Buildings.

It was agreed that the Special Officer may obtain whatever donations were forthcoming for the construction of Primary School Buildings and that at the same time he may make the assistance of Rs.1,000 per room available under the Education Department's Scheme.

(Action by the Special Officer, Dandeli and Director of Public Instruction).

Purchase of tractor with trailer under Central Government Scheme.

As it was stated that there was no amount available during the current year, the Special Officer was instructed to renew the request for loan early next year.

(Action by Special Officer Dandeli).

Systematic Construction of Buildings within the designated township area.

It was stated by the Special Officer that decision has already been taken that all the three industries areas, the Forest Department and the River Side areas should be transferred to the Notified Area and steps in this respect are in progress. He also stated that during this period it would be necessary to enforce the systematic development in this designated township area. The Industries and the Forest Departments are constructing many Buildings either for office, or for commercial or residential purposes every year. He added that in the best interest of the Town Development it would be necessary if such new constructions are taken up after the approval of the Director of Town Planning, Bangalore to the design, re-orientation etc. The Director of Town Planning was requested to consider this question. It was also suggested that he may prepare a number of designs for buildings of different sizes so that the construction of buildings may be asked to be done according to the type design.

(Action by the Director of Town Planning).

Road Widening as per lay out, Dandeli Barchi & Dandeli-Karka Road.

It was decided that this may be done by the Divisional Commissioner, in consultation with the Director of Town Planning and the Chief Engineer (Communications and Buildings).

(Action by the Divisional Commissioner, Belgaum, The Director of Town Planning and the Chief Engineer Communications and Buildings).

Sir,

Sub:-Dandeli Township - disforestment of areas covered by Forest Dept, Saw Mills, etc., and the industries

Ref:-Your letter No.AFD 60 DST 57 dated 26-3-1962.

The correct area covered by the Forest Depot, Saw Mill, Research Garden, etc., is reported to be 688 acres 33 guntas and not 378 acres 30 guntas. Accordingly a revised notification has been prepared for 688 acres 33 guntas covered by the Forest Depot, etc., and 434 acres 1 gunta covered by the Industries. There is no objection to the issue of this notification by Government and to cancel the notification No.AFD 60 DST 57 dated 6-2-1962. As per the decisions taken in the meeting held in the Chambers of the Minister for Development and Local Self Government on 17-3-1961, orders of Government regarding the transfer of the proprietory rights over the areas that are occupied by (i) the Government Timber Depot including Jai Hind Saw Mill, etc., (ii) Research Garden, (iii) Wet nursery, (iv) Forest Bungalows with their compound and (v) the Industries at Dandeli, to this Department may kindly be issued. The question of empowering the Divisional Forest Officer, Kanara Northern Division, under Section 43 of the Bombay Land Revenue Code, 1879 as proposed by the Conservator of Forests may also kindly be considered.

The enclosures received with your letter under reference are returned herewith.

No.GB/FOR/SR-589. Belgaum. Dated, 12th March, 1962.

To

The Secretary to Government,
Agriculture & Forest Department,
Bangalore.

Sir,

Subject :- Dandeli Township - Disafforestment of areas covered by Forest Depot, Saw Mill etc. and Industries.

Reference Government Notification No.AFD 60 DST 57, dated, 6-2- 1962.

In forwarding herewith the proposals received under the letter No.IND/GEN/DTS-1411(4)/60-61 dated, 9-2-62 of the Conservator of Forests, Belgaum Circle and a copy of his letter No.even dated, 2-3- 1962, on the subject mentioned above, I have to observe as under :-

The Divisional Forest Officer, North Kanara, Dharwar has sent a Draft Notification for disafforesting 1122 Acres -34 Gunthas of forest land at Dandeli - (688 Acres - 33 Gunthas covered by the Forest Depot, Saw Mill, Research Garden etc. and 434 Acres - 1 Guntha covered by the Industries). But under Government No.AFD-60 DST 57, dated, 6-2.1962, a Notification for disafforesting the area of 378 Acres - 30 gunthas covered by the Forest Depot, Saw Mill etc. has already been issued by Government. This area is reported to be incorrect. In view of the facts pointed out in the letter dated, 2-3- 1962 of the Conservator of Forests, the Government Notification dated, 6-2-1962, needs to be cancelled. Government may therefore, kindly be moved to issue the draft Notification sent by the Divisional Forest Officer, North Kanara, Dharwar in respect of the entire area of 1122 acres 34 Gunthas covered by the Forest Depot etc. and the Industries, in cancellation of the Government Notification dated, 6-2- 1962.

2. As soon as the said area is disafforested, action

Contd...next page-

can be taken for inclusion of the same within the limits of the Dandeli Township and to start levying taxes, exempting the buildings and articles of the Forest Department except service taxes on residential buildings of that Department.

3. The Conservator of Forests has suggested (para 4 of his letter dated, 9-2- 1962) that as the above areas contain valuable tree growth including teak species and as it would be very difficult for the Forest Department to protect them, after the areas are disafforested, the Divisional Forest Officer, North Kanara, Dharwar may be empowered to take necessary action in this respect under Section 43 of the Land Revenue Code. This section can be enforced by Revenue Authorities, if any person, who shall unauthorisedly fell and appropriate any tree or any portion thereof or remove from his holdings, any other natural product whether of the like description or not, which is the property of Govt. and such person shall be liable to Govt. for the value thereof, not withstanding any criminal proceedings, which may be instituted against him. After disafforestment Notification is issued by Govt. the lands stand vested in Revenue Department. Hence, Sec. 43 of the Land Revenue Code, which applies to unauthorised removal of natural product (which is the property of Govt.) from private holdings does not apply in this case. Action for such unauthorised removals from the lands in question after their disafforestment can be taken by the Revenue Authorities under Sec. 39-A of the Land Revenue Code. Hence the question of empowering the Divisional Forest Officer, North Kanara, Dharwar, under Sec. 43 of the Land Revenue Code as suggested by the Conservator of Forests, does not arise.

4. The draft Notification in question may kindly be issued, very early.

Yours faithfully,

12/3

(M.Vasudeva Rao)
Divisional Commissioner, Belgaum.

2 86)

325

Forest Dept will be exempt from payment of octroi on timber etc and other taxes, except Service taxes on residential buildings in Dandeli.

As regards the standing trees in the above-mentioned area of 1122-34 acres, they should be disposed of by the Forest Dept ~~Revenue authorities~~ as per rules after clearance the area should be made over to the Dandeli township ~~authorities to Forest Dept~~.

The CCF should take further necessary action in this regard.

To

The Dist. Forest Officer,

Belgaum. 267/cF.

Ref. your letter No: 4B/FDR/SR-589, dt. 12.3.62

I am directed to state that according to the general policy of the Forest Dept, whenever forest areas are disforested they are first cleared of the tree growth, to the best advantage of the Govt., and then handed over to the Parties. In the case under reference also the forest areas will first be cleared of the tree growth and after that they will be handed

OFFICE OF THE CHIEF CONSERVATOR OF FORESTS
IN MYSORE, BANGALORE.

(292)

No. B3.90-1713/56-57 Dated 26 May, 1962.

To

The Secretary to Government,
Agriculture & Forest Department,
Bangalore.

Sir,

Sub:- Dandeli Township - Disforestment of areas covered by Forest Depot Saw Mill etc., and Industries.

Ref:- Your letter No. AFD 60 DST 57 dt. 2-5-62.

It is no doubt true that whenever a Forest area is disforested for cultivation purpose, it is first cleared of the tree growth and then handed over to the parties concerned. But in the present case the areas to be disforested are the Forest Depot and the areas covered by the Industries. In respect of the Depot area, the tree growth therein should not be removed as it is essential to retain the trees for the purpose of shade in the Depot premises where timber is stacked by this Department. The tree growth in this area will remain the property of Government after disforestment as in the case of other Government waste lands. In respect of the areas covered by the Industries the value of tree growth in those areas have already been recovered from the grantees and hence the question of removal of the tree growth in those areas by this Department does not arise. In this connection it is pointed out that the areas under reference are required to be disforested with a view to bring them under the administrative control of the Dandeli Township authorities, to enable them to enforce the Municipal Laws etc., to the area. In the circumstances there seems to be no objection to issue disforestment notification as already proposed.

Yours faithfully,

CHIEF CONSERVATOR OF FORESTS.

GOVERNMENT OF MYSORE

PLM 222 TAN-61

No.

MYSORE GOVERNMENT SECRETARIAT,
VIDHANA SOUDHA,
Dated, Bangalore, 31st May 1962

FROM

Secretary to the Government of Mysore, Dept.

To

1. The Divisional Commissioner,
Belgaum Division,
BELGAUM.

2. The Deputy Secretary to Government,
Finance Department,
MDS, Bangalore.

3. The Deputy Commissioner,
North Kanara District,
Karwar.

4. The Special Officer,
Notified Area,
Kum Dandeli.

5. The Under Secretary to Government,
Agriculture & Forest Department (FORESTS),
Bangalore.

Sir,

Sub:- Dandeli Town Area - Development and disposal of plots.

I am directed to forward herewith a copy of the proceedings of the meeting held on 14-5-1962 in the chambers of the Secretary to Government, Public Health, Labour and Municipal Administration Department, at 12 Noon to review the questions relating to the development of Dandeli Township for your information and necessary action.

Yours faithfully,

(N.Channabasappa)
UNDER SECRETARY TO GOVERNMENT,
PH, LABOUR & MUNICIPAL ADMN. DEPARTMENT.

30/5/62

332

2. Development and disposal of plots.

The Secretary, Public Health, Labour and Municipal Administration Department observed that the price of Rs.24 per guntha for residential plots for Low Income Group was rather low. The Special Officer explained that 2 gunthas will be purchased and also that the total amount would come to Rs.10/- p.m, including of light charges, water charges and other taxes and against Rs.0-8-0 p.m., which they are paying. The Secretary, Public Health, Labour and Municipal Administration Department suggested that the plots in adventageous position like corner sites etc., should be disposed off by public auction. The Special Officer agreed with this. Hence, it was decided that the proposal to lease out the plots, as suggested by the Director of Town Planning to fix the lease amounts, in this behalf, may be sanctioned subject to revision after 10(ten) years instead of after 30 years, as proposed and that plots in advantegeous position like the corner sites etc., being sold by public auction.

(Action by the PLM. Department).

3. Grant of loan to the Notified Area for Development.

A sum of Rs.500,000/- has been provided under "Q. Loans and Advances by the State Government(112) Loan for the Development of Dandeli Town ship" in the State Budget for 1962-63. It was pointed out a sum of Rs.1,66,600/- was available for distribution as the expenditure for the four months was voted by the Legislature. The Secretary, Public Health, Labour and Municipal Administration Department suggested that a sum of Rs.1. lakh may be sanctioned, for the purpose, for the present. The Deputy Secretary, Finance Department(Budget) also agreed with this. It was decided to take further action, after receipt of the proposals, along with the full details, supporting the demand, from the Special Officer, through the Divisional Commissioner, Belgaum Division.

(Action by the Special Officer and the PLM. Department).

333

PROCEEDINGS OF THE MEETING HELD ON 4.5.1962 IN THE CHAMBERS OF THE SECRETARY TO GOVERNMENT, PUBLIC HEALTH LABOUR AND MUNICIPAL ADMINISTRATION DEPARTMENT, AT 12 NOON TO REVIEW THE QUESTION RELATING TO THE DANDELI TOWNSHIP.

22222222222

P R E S E N T:

1. Shri M.S.Shankara Rao, I.A.S., Secretary to Government, PH.Labour & Municipal Admn. Department.
2. Shri M.S.Bharath, Deputy Secretary to Government, Finance Department.
3. Shri B.S.Mathad, Special Officer, Notified Area, Dandeli.
4. Shri T.S.Ramaiya, Under Secretary to Government, Agriculture & Forest Department.
5. Shri B.Channabasappa, Under Secretary to Government, PH.Labour & Municipal Admn. Department.

The subjects relating to the development of Dandeli Township were generally discussed.

1. Disforestment of Depot area covered by the Industries and of 250 acres.

The Special Officer stated that the notification regarding disforestment of 1,200 acres for the area covered by the Depot and the Industries has been forwarded to the Chief Conservator of Forests, Bangalore, by the Divisional Commissioner, Belgaum Division. The Under Secretary, Agriculture and Forest Department stated that he will look into and expedite the matter. As regards the proposals for including the area of 250 acres in the Notified Area, the Special Officer stated that they are with the Deputy Commissioner, North Kanara and that the notification regarding the disforestment of this area has already been issued by the Agriculture and Forest Department. It was decided that the Special Officer should discuss the matter with the Under Secretary, Agriculture and Forest Department and finalise the same.

(Action by the Special Officer Notified Area, Dandeli).

Already issued

4. Purchase of a Road-Roller for the Notified Area.

The Special Officer stated the Chief Engineer(Communication) Bangalore has not been able spare a Road-Roller to the Notified Area even up to now, as promised as he himself has not received the Road-Rollers. The Special Officer pointed out that a Road-Roller to the Notified Area is absolutely necessary as huge works for the construction of the roads have been taken up. The Secretary,Public Health, Labour and Municipal Administration Department and the Deputy Secretary,Finance Department agreed with the Special Officer. It was decided to examine the question of purchasing one,after receipt of the proposals from the Divisional Commissioner, Belgaum Division.

(Action by the Divisional Commissioner,Belgaum Division).
